

# Tucker University, Wing Clipper

Pat George

## 1-301 Wing Clipper 1, Pickets and Quickets

Learn the simple secrets to creating crisp, clean flying geese effectively and quickly. This method can be applied to any pattern that requires flying geese units. Since you usually have to make hundreds of these units at a time, why not make them perfect every time?

Expand the use of your Wing Clipper1 by learning how to make Pickets and Quickets. Once you begin to recognize these units, you will be surprised how often they appear in patterns from your favorite magazines and designers. You will want to add Pickets and Quickets to your border options.

### Required Supplies:

Wing Clipper 1 and Quilter's Magic Wand, available for purchase at Cotton Patch

Technique Sheet: Pickets and Quickets, available for purchase at class time at Cotton Patch

Design Sheet: Wing Clipper 1, included in your class fee

Basic Sewing Supplies

Sewing Machine with power cords and manual

Neutral piecing thread

Machine needles, size 80/12 Microtex preferred

Snips or trimming scissors

Seam ripper

Rotary cutter with a sharp blade

Marking pencil (mechanical, Pigma, or Sewline Fabric Pencil) this will be discussed in class

Small cutting mat

Straight edge ruler, 6" x 12" or so

Invisigrip (optional)

Best Press or light starch (optional)

### Fabrics:

In class you will create 4" units that can be used in a variety of blocks, rather than a specific project (no UFOs!)

Bring a background fabric and 4 or 5 fabrics. If you think you might like to put together a project with your units, Pat recommends 1 yard of background and 4 or 5 1/2 yard pieces that look nice together.

It is strongly suggested that you purchase your class supplies at Cotton Patch Shop to ensure you have the proper items.

We appreciate your support.
