

**JUNE 1-30, 2018**

*Return Your Passport to  
qualify for prize drawings!*

Visit 5 or more participating quilt shops to qualify for an entry-level prize drawing.  
Visit every participating quilt shop in one or more Regions to qualify for an even better prize drawing.  
The more Regions you complete, the more chances you have to win prizes!

**PRIZE DRAWING GUIDELINES:**

- 300+ prizes will be given away this year via random drawing.
- Participants must be 18 or older.
- Only one Passport can be submitted by each participant.
- You must be present at the quilt shop to get your Passport stamped.
- No purchase is necessary to get your Passport stamped by a participating quilt shop.
- Each completed Passport that is mailed to us postmarked no later than July 6th will be placed into a random drawing based on the number of stamps on it. Mail your completed Passport to: **AISH**, PO Box 221, Mount Vernon, IA 52314.
- Participants may also return their completed Passport to any participating Sew Iowa quilt shop by July 6. That quilt shop will then mail your Passport on to us.
- Each Passport that has 5 or more stamps on it will be assigned one random number that will be included in the entry-level prize drawing.
- Each Passport that has 1 or more Regions filled with stamps will be assigned one random number per Region completed, and each of those random numbers will be included in the better prize drawing. More Regions completed equals more random numbers in the better prize drawing which equals a higher statistical chance of winning one or more prizes!
- Every Passport that has 1 or more Regions filled with stamps will also be assigned one random number that will be placed in the entry-level prize drawing because a Region equals five or more participating quilt shops. For example, if you complete 3 Regions, you will receive three random numbers that will be placed into the better prize drawing and one random number that will be placed into the entry-level prize drawing. That's four chances to win a prize!

**Please Print Clearly. Passports must be legible to be entered into the prize drawing.**
