

2018 4-Week Sunday Evening course e-Learning

The Dive Shop offers a 4-week course designed for the person with a busy schedule. We choose to conduct a Sunday evening course so not to interfere with school activities and weeknight sports. Instead of using a study manual, you complete all of the classroom sessions online, following a link from our website. This includes quizzes and the final exam! Once complete, you are ready to pick a date and sign up for the pool training.

The pool training consists of only 4 Sunday evening classes from 5:00 pm to 8:00 pm. This is one of the few classes that people don't feel rushed.

The first session includes some paperwork, learning to assemble scuba gear, and then it is off to the pool. All remaining sessions are conducted in the pool. Unlike other dive shops, that means you actually get over 10 hours of water training!

The use and maintenance of a mask, fins and snorkel is a key element to your success in your scuba class. These are personal pieces of equipment that should be purchased based on proper fit and comfort. *The Dive Shop* asks that you pre-purchase mask, fins, and snorkel prior to starting your class. With your own equipment, you are more relaxed and have more fun in the pool. *The Dive Shop* staff is available to assist you in your selection of this equipment; we also have rental equipment available for your pool sessions at a nominal fee. Don't forget to ask about our student discounts! All other scuba equipment to complete your pool training is furnished by *The Dive Shop*. And, our pool is located right at the shop, so there is no additional cost to you for pool rental!

Cost: On-line Fee \$179.00
Pool Training \$125.00
