

We have the accessories and software designed to extend your machine's capabilities so you can add that personal touch to all of your projects!

mySewnet™

Use the first and only cloud-based software service to edit and create designs on your computer.

mySewnet™ Embroidery Software guides you with the most Creative Wizards in the industry. The all new Spiro Design Wizard lets you enhance your projects with swirling geometric designs - perfect for Quilt patterns. The incredible embellishment tool for automatic Ribbon Embroidery allows you to create stunning textured designs.

HUSQVARNA® VIKING® Ribbon Embroidery Kits

Available in Satin, Organza, and Silk, these kits are the perfect complement to the Ribbon Embroidery Attachment—bringing all of your beautiful 3D embellishments to life!

Metal Embroidery Hoops

HUSQVARNA® VIKING® has the largest selection of embroidery hoops in the industry!

Metal Hoops allow you to embroider difficult garments and projects.

You can do sew much with a Metal Hoop!

INSPIRA™ Stabilizers

Essential for machine embroidery, stabilizer helps to hold the fabric flat and prevent puckering when doing embroidery or decorative stitching.

For use on all brands of machines.

HUSQVARNA® VIKING® Needles

We have an assortment of needles for a variety of projects. You will notice the advantages immediately when you sew.
