There is a Large Rotary cutting Mats and Pressing station in the classroom

Fabrics: Your kit includes:

¼ yd **each** of four greens prints

¼ yd **each** of four reds prints

3/8 yd **each** of four white prints

2/3 yd plaid for bias binding

1 ¼ yd for backing

Home Work:

Before class Press and spray starch (using Flatter or Best Press) your 4 green, 4 red and 4 white prints fabrics prior to cutting. Be sure to let starch soak into the fabric a few minutes before you press, otherwise you are just starching your iron...lol! This will reduce distortion and shrinkage and make finger pressing easier. Do not starch bias binding fabric.

*From **each** of four green and **each** of four red fabrics, Using your 6" x 24" ruler –
CUT (2) - 2 1/2" x WOF (width of fabric)

*From each of four white print fabrics Cut (4) – 2 1/2" x WOF

I will go through the next cutting in class.

Bring your lunch/snack so you can eat and keep on sewing at lunch time.

Masks are recommended. Be safe and sew on!
