

COLOR CLASS

A Quilter's Workshop

Date / Time: February 29, 2024– 10:00 a.m. to 2:00 p.m.
Location: Quilter's Quarters, Conroe, Texas
Teacher: Jan Mathews, JKM Quilting

Class Supplies Needed:

Color Journal (see Notes below)
Paper and writing utensil (for taking notes)
Scraps (see Notes below)
Color Wheel (e.g. The Color Wheel Co. color wheel)
Glue stick (e.g. Elmer's Disappearing Purple)

Optional / Extra Supplies:

Optional kit (See Notes below)
One (1) show and tell item – something you might think is “off” but you don't know why – we can discuss as a class – NO JUDGMENT – safe space to get some ideas

Notes:

- **Color Journal:** Notebook or Journal to a size ***not less than*** 6-1/2" x 9" to accommodate swatches. (You want something portable and easy to write / sketch / glue things into.) You will be starting your color journal so something that accommodates recording your notes, thoughts, inspirations, references, etc. is what you need as your Color Journal.
- **Scraps** – bring scraps from the last project or two that you have completed, together with a picture of the finished project or pattern. You will begin your color journal with your notes from class and scraps from your latest (or favorite?) project to document your journey.
- **Optional Kit:** An optional kit will be available (\$20) which includes watercolors rather than fabric to experience an in-depth / more immersive experience of color during the various exercises to be completed during class.
- **Books:** Books on color are numerous across all mediums!!! A recommended resource list will be circulated in class.

IMPORTANT: Come to class with an attitude that will allow you to laugh a lot, learn even more, and PLAY (lots of play – how we experiment and try things out without consequences). There are no tests and no wrong answers so come prepared to enjoy yourself and increase your knowledge of color. (Fun IS allowed, you know.)
