TOWN NEWSLETTER

MESSAGE FROM TOWN MANAGER:

In March and April, the Town will be setting its work plan for the next year via the strategic plan and budgeting processes. During the regularly scheduled Town Council meetings in March the Council will be reviewing the draft strategic plan and discussing specific projects and actions the Town will carry out over the next year. In April and May we'll be setting a budget for those projects and actions. As always, we welcome public participation in the process. If you're a numbers junkie like me, you may be interested in participating in the budget workshop on April 12 either in person at Town Hall or on zoom (look for a link a few days ahead of the meeting).

And we'd like to welcome our new Town Planner, Becky Bennett, who will be heading up all things having to do with community development in Brian Head. She comes to us most recently from Sunrise Engineering where she was traveling around to small towns in Utah helping them get their land use planning efforts up and going. Feel free to stop into Town Hall to meet her and you'll be pleased you did -- she's an absolute delight!

Announcements: Stop by the Public Safety building on Wednesdays from 12-1 and energize yourself with the Community Yoga Class. All levels welcome. No charge. Wear comfortable clothing and bring a mat if you have one. Contact Kelly Marshall for more info at 435-592-5431.

UPCOMING EVENTS
