

# APRIL 2021 Town Newsletter

## MESSAGE FROM THE TOWN:

The last day to ski or board will be Sunday, April 18<sup>th</sup>. After that, the Resort will be closed until it opens for summer activities. We hope everyone who came this winter had a wonderful Brian Head experience. With the increase in visitors, the Town will be taking a look at updating our “ways of doing things.” This summer we’re expecting more building of homes and more families coming to enjoy Brian Head, Bryce and Zion. Our town administrative departments will be busy as well. Our Public Safety personnel will be out and about making sure all is well within our Town. Public Works will be super busy attending to maintenance of streets and other fix-it projects. Town Administration will be kept busy with building permits, fire inspections, and nightly rental licenses. Please make sure your name is on the license list if you are planning to rent your property or have a fire inspection done. Kind and helpful are trademarks of a small town community. Please be kind and helpful to others. Keep our town clean by not littering. There are plenty of trash receptacles around town for your convenience. Any construction material or “old beat-up couches”, frigs and yes, even pianos, are NOT to be tossed in the town dumpsters. There is a Dump in Parowan for that type of trash. We’re doing our part to keep Brian Head a clean town. Please do your part in keeping Brian Head clean and trash free. Be respectful and patient with those who work here, providing you services and making your stay wonderful. We look forward to sharing our town and surrounding areas with you this summer.

## ANNOUNCEMENTS:

- The Town Council Community Budget Forum is meeting at Town Hall on Wednesday, April 14 from 4p-6p. Plan to attend as there are topics regarding our Town and our residents.
