

Brian Head Community Open Forum

The Brian Head Community Open Forum is scheduled for Saturday, January 9, 2021 from 1:00 to 3:00 pm or you can attend on Tuesday, January 12, 2021 from 4:00 to 6:00 pm at the Brian Head Town Hall – 56 North Highway 143 – Brian Head. Refreshments will be provided.

The goal of the open forum is to invite the community members of Brian Head along with visitors, businesses, and homeowners to come together and have a discussion of ways to improve the Brian Head experience. Everyone is encouraged to attend with ideas.

The open forum will give the people a chance to voice their ideas and concerns and work together to enhance the Brian Head experience for residents and visitors alike.

Bret Howser, Town Manager, will give a brief introduction on projects the Town currently has underway along with future projects. Your voice could make a difference in the projects the Town does for its residents and guests.

You can also attend one of the two of the Zoom Meetings.

For more information, please contact the Town offices at 435-677-2029 during normal business hours. The Zoom Meeting link will also be posted on the Town's website: brianheadtown.utah.gov.
