TOWN NEWSLETTER

MESSAGE FROM THE MAYOR:

Greetings! I hope that everyone had a wonderful Thanksgiving.

2020 has been such a wild ride with COVID-19 and a very contentious presidential election deepening the divide in our great country. Moving forward to 2021, I believe we should rip off the rearview mirror and look forward to doing everything we can to keep our community safe from the virus and have some respect for fellow man's point of view. You might like coffee in the morning and I like chocolate milk -- that doesn't make either one of us a bad person. LET'S BE KIND TO ONE ANOTHER!!

As Thanksgiving has passed and I look back as Mayor of this wonderful community, I am thankful for all of the support and involvement we have received from our residents in shaping our town's future. Many thanks to everyone that worked so hard on fuels reduction on their lots. This is a big step in the right direction for keeping our community safe. We will be making plans to better handle the increased volume of slash piles for the upcoming season. KEEP UP THE GOOD WORK!!

Just a reminder we do have a boys ranch nearby and we need to be mindful to keep our homes and cars locked to help reduce the chance of becoming a victim from the occasional runaway.

Keep Brian Head safe and opened, mask up, be kind and I hope to see you out on the trail.

Clayton Calloway
Brian Head Mayor
