# TOWN NEWSLETTER

## MESSAGE FROM THE TOWN:

We now move another month into the new year, and we are finally seeing the snow storms that we look forward to each winter season. With the winter storms we have also seen an increase in visitors, which we welcome with open arms – but with social distancing of course. We just want to remind everyone that we have a Free Town Shuttle. They make continuous loops around town all day long. If the slopes are open, the shuttles are running. We highly encourage people to use this provided transportation, we do not want any guests walking on the highway, as it is extremely unsafe. If you choose to not use the shuttles provided you can walk, but please use the designated paved Town Trail to the West of highway 143. The Town Trail will lead you all the way through town and is the safest alternative. If you have questions please feel free to call the shuttle directly at 385-213-6520 or the Town Hall at 435-677-2029

## ANNOUNCEMENTS:
