# TOWN NEWSLETTER

## MESSAGE FROM THE MANAGER:

As it has been for pretty much everybody, 2020 has been a challenging year for Brian Head Town. The worldwide pandemic initially brought uncertainty for our little Town as it was unclear what kind of impact it might have on our residents and our local economy. However, the picture quickly started to come into focus as we found that the pandemic drove many urban dwellers to more rural areas -- including Brian Head. As always, we welcome our guests with open hearts -- many of whom have become our residents -- and we are glad to see so many people enjoying the fresh mountain air and outdoor recreation we love so much. And as you might expect, welcoming so many people comes with some challenges and growing pains. I congratulate our Public Safety Department, our Public Works Department, and all the Town staff for making adjustments mid-stream to better handle the unexpected influx. And I thank our residents and guests for your patience as we make those adjustments.

Of course, we have more adjustments to make to keep Town services up to the level that's expected and to preserve the Brian Head experience for everybody. This is something we will be focusing on in the upcoming months as we set our strategic priorities and budget for Fiscal Year 2022. We can only do this effectively with help and input from our residents, property owners, businesses and guests. So we invite all to participate in these processes, starting with the public input sessions scheduled in early January and the Strategic Planning meetings scheduled in late January. Details are in this newsletter -- I hope to see many of you there (or on Zoom) and hear your thoughts on how we move forward together as the Brian Head community.

## ANNOUNCEMENTS:

- ❖ Brian Head Free Town Shuttle is in full swing, please do not walk on the road, the shuttle can take you and it is free!
- ❖ Reminder that parking on the streets is not allowed at this time. Please use overflow parking if/when needed. Overflow parking areas are located at Town Hall and Chair 1 parking lot.
- ❖ We ask that we each do our part to help keep our community safe -- MASK UP and SOCIAL DISTANCE!
- ❖ For questions please call Brian Head Town @ 435-677-2029
