TOWN NEWSLETTER

MESSAGE FROM THE MAYOR:

Greetings, I am very excited to announce the opening of the new Manzanita Trail. Trail head access is near the "Town Gravel Pit" on Sandstone Drive, and the trail traverses along gentle grades just below Aspen ridge offering some great views as it heads north. Phase I of the trail is out-and-back and

takes around one hour to complete. The Town is planning for at least two more phases to complete a network of looped trails that will be accessible from the main Town Trail. I want to thank Town Council Member Shaun Kelly and Town Manager Bret Howser for all of their vision and dedication to making this happen.

We are putting the paved trail at Bristlecone Pond out to bid and have our fingers crossed that it will come in within our budget. 20 trees were planted and they are looking great.

We are still seeing an increase in Covid-19 cases. I have worked with all of the businesses to thank people for wearing a mask inside. I ask that we each do our part to help keep our community safe -- MASK UP and SOCIAL DISTANCING!

ANNOUNCEMENTS:

- ❖ Brian Head is now is Fire Restrictions, please visit <http://brianheadtown.utah.gov/> for detailed information and guidelines.
- ❖ The Brian Head Firework show has been cancelled due to fire restrictions.
- ❖ Manzanita Trail Opening: Friday, July 3rd, 2020 at 5:00 pm. To get there follow Aspen Drive West off of Highway 143 for a quarter mile, then turn right on Sandstone Drive and follow signs to trailhead.
