	1223	Schneckley--golds	(3045)
		Deep Red Beads	

FILL IN:

House : Brick

* When you stitch with overdyed thread, please stitch each stitch individually. The threads and linen are not colorfast. Do not wash this project.

BACK STITCH: 1 strand

Words: Stepping Stone

Bird beak and feet: Schneckley

Sheep legs: Onyx

Bottom vine: Oscar

FINISHING: Buttons

Stitch your star above the H.

Stitch 1 snowflake to the left of the large heart.

Stitch 1 snowflake above the sheep.

We framed our piece in a little white frame. We carry a variety of these frames that Jill made with different mouldings. Each one comes with a piece of foam core making it easy to finish up. You are welcome to call and see what we have in stock, or you can find the perfect frame yourself. As always, you can always give Jill a call: This would also be a darling pin cushion.

Happy Christmas

This design is for personal use only. It is not to be sold. It is a free pattern available on our website www.shepherdsbush.net You will find it under FQA, or on our blog
