Availability of education and Events. Enjoy your club membership. In order to give the most possible value to our club members a few rules apply. Outlined below are the benefits as well as any restrictions that apply to your membership. We look forward to seeing you often. We want to provide you the most "Bang for your Buck."

Benefits:

1. You will receive 10% off retail price in any of our Nuttall's locations EVERYDAY. When you are on your way to pick-up those supplies for your project, no need to look for discounts or coupons at our competitors. If you are attending an class you will receive a 20% discount off of retail prices the entire day of class. Your class discount applies not only to items purchased for class, but any items purchased the day of class. At an event, the Sewaholics discount will be determined by the event. Your purchase as a club member at an event will always be given additional discount from non-member pricing. At a booth or show that we are participating in, you will receive your discount as well. Wherever you see us, your club discount is good.
2. BONUS: This year club members receive a current year, club T-shirt that entitles them to an extra 5% off whatever pricing is being offered. There will be exclusions on some products and when purchasing machines, software or furniture at promotional pricing. Shirt **must** be **worn** entire visit in the store. Yes . . . We are blatantly paying you 5% to advertise for us!
3. During your Birthday month you will be entitled to a one time 30% discount coupon which you can use anytime during your Birthday month. Valid ID will be requested. Discount will be taken off retail prices. Does not include machines, software and furniture. And don't forget to wear your SEWAHOLIC CLUB SHIRT for an additional 5% off.
4. Priority service on repair and tune-up on your machines. We have 4 fulltime technicians to service our customers. As a club member, when you bring your machine for service, whether using your \$75 coupon, or just enjoying your Sewaholic discount, your machine will be tagged as priority. We cannot guarantee a completion time due to the fluctuation of repairs from day to day. We do promise yours will take precedence over any non-Club machines in our department.
5. You receive a \$20. coupon good toward YOUR tuition in a class, club, demo or event. Event pricing will always offer a Sewaholic Member registration discount. You can combine the discount and use your \$20. coupon. However, your club membership entitles you to register only yourself at Sewaholics tuition. While we love you to invite your creative friends to join the fun, their registration does not qualify for the discount, even if you are the one registering them. This is a benefit exclusively intended for members only.

Product must be exact and in-stock, no substitutes or off brand products will qualify. Site must be legitimate sewing site and not a reseller of used, discontinued or overstock products. All factors will be taken into consideration. Proof of pricing must be provided. If possible, we'd like to earn your business.
