E. Temple Riders Association Service Project update: Deanna received an email, they will be coming Tuesday June 12th, they would like to come and meet with the council to discuss a project. They will have several hundred riders that will rotate through. What about Highway 63/12 clean up? May need some porta-potties and water stations for them? Maybe clean up roads within Bryce City or plant flowers. Have them come June 7th to city council meeting to finalize a potential project.

F. School bus stop: Shiloh has asked Pierson to come and watch the school bus stop at the Public Safety Building. Need to talk to bus drivers/schools, when the bus lights are on can cars proceed or should they remain in parking lot until bus lights are off. Maybe have the school send home a letter to Bryce City residents. What about having a drop of parking map? Would it help? Think of ideas to keep it safe. A sidewalk down the street would help keep them off the road. Maybe have the kids picked up on main road? However, the parent cars may block road too? Could someone volunteer as a crossing guard?
