**B. BCC Sponsor for fundraiser activity – Syd:** To rent the Bryce Valley High school for a fundraiser for Jade they need a sponsor for the activity. Bryce City feels it will be okay to proceed. Syd will email other council members for approval to proceed. Leave on agenda for official vote next meeting.

Scholarships were awarded to Bryce Valley Students, Taten Leech, Easton Syrett, Morgan Syrett, Ausytn Brinkerhoff and Shelby Matthews. Two applied from Escalante and were awarded to both Chesney Steed & one other. Only one from Panguitch applied, Marley Palmer. The extra scholarship was awarded to a BVHS student. Shiloh put in award letter they have three years to use the scholarship. Mike will put together a spreadsheet to track who has been given awarded scholarships and who has used them.

**F. Canyon 2 Canyon:** Deanna working with Janece Pollock – can use same permit as last year. May need a special use permit as well. Deanna will update the description. There is a meeting on the 30<sup>th</sup> with the Fly-In. Barbara Leach will not be available, so Deanna will round up vendors. Falyn can help with finding vendors as well. Deanna will meet with other businesses to get them on board with the activity. Do not have bikers crossing the roads. May have to crew our own water stops along the way. Animal museum may be closing but will keep ATVs. Jean Seiler is going to help Deanna with the Canyon 2 Canyon.

**G. Trash Pickup follow up – Deanna Moore:** Deanna discussed in team leadership – Lance will follow up with Deanna on picking up the trash. Housekeeping has been sweeping side walk

**H. Temple Rider Service Project:** Temple riders are not coming to Bryce City – they have made arrangements with Bryce Canyon National Park. TJ Johnson is bringing youth up here looking for service projects. Maybe use scouts as a service project for donation and use them to clean up the City.

**I. No Camping Signs – Cary Deccio:** Cary working with RV Parks Signs Company. He brought in samples 12x18 inch signs that will cost \$59.00 per sign plus \$8.00 shipping. The signs are DOT approved and include a 10 year guarantee. They are aluminum signs and they are sending a sample of the material. Do we have u-channel posts or square ones to use? Need some by cemetery, town park, parking across the street, on planters across the street and by shuttle? Go ahead and proceed with cemetery and park and work with Ruby's on other properties. Josh Peterson from UDOT will look into having them on the high way. We can have them by the entrances. How do we distinguish between RV's if they are just "parking". Can add "no overnight parking" with these signs. Can put both signs on the same post. Cary will follow up on the additional sign. Do "no camping" sign as well.
