Just need to pay the permit fee of \$100. UDOT didn't require a permit. This year will only have six stops – BCNP Lodge, Registration Desk, Subway, Pines, and tents on top of Red canyon and bottom of Red Canyon. Each stop will hand out tickets then names will be drawn for prizes in the end. Radios recommended at the stops – will get from Sheriff's office. The balloonists need radios too. Balloonists are ready to go this year. Our website needed to be updated for those that do not need shuttle rides to drop off. Follow up with Gayle Pollock may want to put a water stop at the entrance at the park. Do we want to do hats? The hats would have to be purchased. Deanna will follow up on costs and types of hats. Next Canyon 2 Canyon meeting will be August 15<sup>th</sup>. Will we do a grand prize at the end? Agreed to do a bike at the end. Draw for little prizes, then throw all tickets back for the grand prize. Deanna will have Jade advertise this. Do we make a donation to Ruby's for services? Shiloh will follow up with David Church on how to proceed. Can we set up a local business grant so local companies can apply for the money? Ken Ellgen has a slushy/snow cone/hot dog machine and may bring it. Deanna will follow up with Brady on the Rodeo snack table. May have vendors move back to the show and shine at night? Deanna will follow up with Fred on bringing them back up from the airport. Show and Shine will be between the Car Care and Shuttle, and balloon glow in the shuttle parking lot. Will we be able to shut down the parking? Need to coordinate shutting down the area. Fly-In will have closing ceremonies at 3:30 PM.
