B. Pledge

2. Approve Minutes of 7/3/2019 Council Meeting: Motion made by Gary to approve the minutes, 2nd by Mike, Bryce yes

3. Adopt Agenda: Move cemetery plot discussion to first of the meeting. Motion made by Bryce to adopt agenda, 2nd by Mike, Gary Yes

4. Other Business

A. Canyon 2 Canyon: Deanna, Lance and Jean met yesterday to discuss the plans for Canyon 2 Canyon. There are currently 87 registered as of today. Bryce City will donate the grand prize bike again. Shiloh working on the bike trailers. Shuttle will take riders to Inspiration point and pick up riders from Red Canyon. Deanna will gather prizes for the drawings. Contacted Ken Eldgen to set up a food truck, IDK BBQ truck was there last year. Maybe just keep one food truck during the balloon glow. Brad will set up sound system. Deanna will send flyers to the schools, and will work on posters. The Balloonists are ready to go. How much do we have to spend on advertisement for the match? We have \$1950 approved for advertising. Jean will work with Deanna on the budget. Lane will get the 2x4's for the bike racks. May need a water station at the end of the park. Deanna will talk to Gayle to see if NHA will have one there. Subway and Pines will have stops. Top of red canyon and bottom of red canyon will have stops as well. Jean followed up with Chris at forest service and the paving of the bike trail will be finished before the race. Riders will receive two tickets for the race, one for registering and one for finishing.

B. BVHS Executive Council: Brooklyn Syrett present from the BVHS Executive Council. She has a letter requesting funding for 2019-2020 school year. The funds are used for school activities – BV bucket list, homecoming week, replacing equipment etc. Principal Brinkerhoff will oversee the funds with the council. They are requesting a \$500 donation. They have been to Tropic and Lions Club and they have donated as well. The Council began this project last year. Motion made by Gary to approve the \$500 donation, 2nd by Mike, Bryce Yes

Also discussed the Booster Club donation amount of \$2400.00 made each year, will add to next meeting for official vote.

C. Tool Box Purchase: Lane has priced a tool box through NAPA. We already have a tax exempt account set up. The tool box is 72 inch, with work bench on top. Total price is \$1499.00. Motion made by Mike to approve the purchase of the tool box, 2nd by Bryce Yes, Gary Yes

D. Storage Shed Purchase: Lane has priced one out. It is similar to Rod and Nicks. Total cost is \$10,500.00 for a 12x40 foot storage shed. It will be used to store lawn mower. The company may have to hire a pilot care to bring the shed. If they do need a pilot car we may have additional costs. Lane will work on pricing out a layout of shelves in the shed. Will put it right by Public safety building. The shed will have a wood floor. Lane will continue to work in the project.

E. Eric Syrett – Giovanna Sudweeks Cemetery Plot:

Cherrie entered meeting

Shauna Anderson is present to discuss plot for cemetery plot. We have a fee structure for \$2000.00 for non residents. Fees have been waived for board members and Syrett Families. Giovanna worked here for many years and related to the Syrett Family. Mike makes the motion to wave fee for the cemetery plot for Giovanna, 2nd by Bryce, Cherrie Yes, Gary Yes,

They are working on a plot site, keep Allyson in mind she may want to be buried by Giovanna.

5. General Plan

1. Roads

needed. Do we want no camping signs on Highway 63 on the city boundaries?

2. Town park

a. Restroom/Pavilion Facilities: Someone is lowering baskets – they can't get them back up. Calling around to get them highered. Can we lock them so they can't be lowered, especially the East and West baskets? Lane will check with Rick Sawyer to see if we can weld a cover on it with a lock.

3. Cemetery: The screws in the fence are gone where they would string the plot layout. Shiloh called Jones and DeMille to see how this should be handled. They will be here tomorrow to look at it. They will survey the cemetery and make a plot plan. The cost will be \$3500.00. They can put PVC pipe/spikes in each plot to lay the plots out. Open up a few plots to be reserved. Maybe work on the whole cemetery plots in phases. This data will be online in GIS. It could be linked to the website to show the plots reserved. Shiloh will keep it up to date. Motion made by Gary to have Jones and DeMille lay out the plot dimensions, 2nd by Cherrie, Bryce Yes, Mike Yes

4. Shuttle Building: Brian sent a request of items to be fixed. Where we took out the trees, he would like to see a flower pot on the north side. The south end he wants grass where the tree was removed. He also wants to extend outside walk way on the south side of the building, and add a piece of concrete for a shed. Council would like a shed over by the gravel not by the building. There is power over there if they need power to their shed. The south side concrete pad would be for tables. They are requesting a 24x10 foot pad. Will have to move some sprinklers to make it work. If Brian will find a contractor to lay the concrete, we will pay for it. Brian can buy the shed, and they can move it as needed. A flower pot would require more maintenance, would grass be better? We could have some sod put in. Do we need to repair the stone work by the restrooms? May have to dismantle the whole rock area to fix it. Shiloh will follow up with Brian on the projects.

5. Public Safety Building: no discussion

6. Weight Room: no discussion

7. Fire Department: no discussion

8. Bike Path: Shiloh and Gary have both rode the path. We need to have the Forest Service trim the weeds. Jean will follow up with Chris from the Forest Service.

9. Wellness Center: Construction meeting last Wednesday, no new updates. Completion date would be January 1st due to delays. Tues 23rd will be the next meeting. They will be pouring walls this week, then they will back fill.

10. Sewer: no discussion

6. Planning Commission-Gary Syrett: Shiloh sent out the updated General plan – read it over.
