B. Approve Minutes of the 7/5/18 Council Meeting: motion made by Gary to approve, 2nd by Bryce, Nick yes

3. Adopt Agenda: add the following for discussion -Nick – Day Care to item D. motion to adopt with addition made by Bryce 2nd by Nick, Gary yes

4. Other Business

A. Canyon 2 Canyon: Next meeting August 15th, 10:00 am at Bryce City office. Jaillnk is working on shirts. Same logo as last year. Falyn will send picture of poster from Fly-In to Deanna for advertisements. Food trailers will be at airport. All permits are finished up for the race. Balloon glow is all set up. Show and shine, unsure how many cars will be there. Ty Ramsay working on that portion. Cars will be placed between Car Care and Shuttle from West to East.

B. Eagle Scout Projects – Brock Syrett, Quaden Tebbs, Trayten Tebbs (Have them Report): Keep on agenda. Brock has ordered all the items he needed.

C. Jean Seiler – Advertising: Jean has received ideas for billboard advertisement. Did add visitbrycecanyoncity.com to new proposed billboard. Shiloh followed up with David Church on the arrangement and things are good. The City will pay for the vinyl and installation and Ruby's will continue to pay the lease on the billboards. One will be out by Bear Valley junction, and one near Red Canyon. Proceed with #4-blue print. Estimated cost will be \$1000/ per billboard. Motion not to exceed \$3000, made by Nick, 2nd by Bryce, all in favor.

D. Day Care – Needed in the area. Is there any option to use Public Safety building or other buildings in the area? Can municipalities offer those services? Not recommended to use Public Safety building. Need to follow up on regulations. Buildings would cost \$150-\$200,000 to build. Jean can follow up on regulations. Better option to have someone operate out of a personal home.

5. General Plan

1. Roads

a. Main Street: Andy fixing banners, Shiloh working on lights. Can we add flags during July to the banners on main street? Deanna will work on ideas with Jean.

2. Town Park

a. Restroom/Pavilion Facilities: There is a light out at the town park, its temperamental. Need a lift to reach it. Lawn care- we may need to pursue purchasing our own equipment and perform the work ourselves. Finish out year end with the contract with All Seasons Maintenance. Look at state contracts on the mowers if we do purchase one. Need to make sure the BBQ's are being cleaned at the park.

3. Cemetery:

no discussion

4. Shuttle Building: Had a child fall on the block rings round the two trees. Can we fill sand in the holes to bring to the level with the blocks? Add top soil to taper off the block to the grass? Or would it be better to pull out the blocks? Requesting a window at the shuttle building. Ticket shack window still in progress.

5. Public Safety Building:

no discussion

6. Weight Room: approximate cost for repairs \$1200.00 for pulley system repair, repair old bench, add new bench, lap bars etc., and replace some worn equipment. Add to next agenda for approval

7. Fire Department:

Ron received an application from Cody Shirrefs for the fire department. He does live

Josh Soper asking for space to store a water tanker, may need to store outside. The wildland truck still does not have a scheduled delivery date. The Dodge trucks are in high demand. Ordered on January 9th, those prior to ours just got scheduled. Ron will try and put pressure on them. Needs to go to Las Vegas to do a body inspection
The State rescinded back to stage one fire restrictions. Ron handed out the current restrictions for any unincorporated areas. Ron recommended keeping the fire work restrictions we have in place right now. Campground is strict on their fire areas currently. Ruby's burn pits shouldn't be an issue. Campfires in approved areas only. Leave all the other stage one restrictions. Motion made by Gary to follow Ron's recommendations, 2nd by Nick, Bryce yes

8. Bike Path: no discussion

9. Wellness Center: no discussion

6. Planning Commission-Gary Syrett: no discussion
