C. Canyon 2 Canyon: The Fly-In/Car show will be canceled due to remodel of airport. The Canyon 2 Canyon will still be held. Deanna would like to reach out to those in charge of car show to see if they can still have it here at Ruby's. On Friday we get the inflatables for Founders day party, do we want to have them on Saturday for the Canyon 2 Canyon? Leave out the dunk tank too? Balloonist will be coming in Saturday night. We may have up to seven balloons. The balloon glow will start at 8:30 PM, Saturday August 24th the night of the Canyon 2 Canyon. Viloflex bike repair will be here again. Subway will be a stop, Pines furnished treats but we had to supply the help. Do we have Ruby's departments manage the stops and not worry about the other businesses? We did receive \$6000.00 for the project from the travel council. Deanna will reach out to Kirby about the car show. Movie night will be held on Friday night. Approach Ruby's about the car show. Shiloh working on re building the bike racks for the trailers. May need to purchase some 2x4's to build it. They can be reused each year. Is there a list to schedule staff for the day? Deanna will work on scheduling and staffing. She will have Kam, Kenny, Shawn and new students to staff the bike stops. Andy will also be available to help. Will need medical cards if they pull Ruby's Trailers.

5. General Plan

1. Roads

a. Main Street: Jean will work with Rainbow Sign and Banner on signs. UDOT brought the bases for signs. Jean received a quote from Rainbow Sign and Banner, it would take two days to install signs. The bid is for \$1300/day and we would have to provide lodging. They also will charge a \$971.00 trip charge. Lance said we have some rooms available if we want them to come. The camping signs cost for installation can be split with Ruby's since half the signs belong to them. Need to have the signs installed correctly. Forest Service put out no camping signs in Dave's Hollow, however they are just moving further out and making new camping spots. The Bryce City signs will be placed at the Park and Cemetery. Need some speed limit signs throughout the property.

2. Town park

a. Restroom/Pavilion Facilities: no discussion

3. Cemetery: no discussion

4. Shuttle Building: no discussion

5. Public Safety Building: Thought about moving cargo container down by the Public Safety building to put mower in. Do we want to look into a custom built shed instead? There would be room for storage and mower. Will receive some bids on pricing. It would look better than the storage unit.

8. Bike Path: no discussion

9. Wellness Center: Jorgensen's here to report on the weight room. There may be a meeting next week with Busk for a construction meeting. May not be able to install weight equipment in October, may have to push it back to November. Shiloh emailed out the weight room plans. Jorgensen's will get other bids on the equipment we need at least two. The total original bid is \$107,000 with taking off one treadmill.
