5. General Plan

1. Roads - Do we need to mark any roads before winter nobody felt like in was needed

a. Main Street – no discussion

2. Town Park

a. Restroom/Pavilion Facilities – no discussion

3. Cemetery – no discussion

4. Shuttle Building - Grass is not going well, asked out fertilizer guy to look at it, cement pad is still a need waiting for Brian to get back with us

5. Public Safety Building – no discussion

6. Weight Room - we have the new bid from Jorgensen's we need to find another bid they would maintain when we have 2 bids we can make a decision

7. Fire Department – no discussion

8. Bike Path - Pedal Assist Bikes are ok in the park now visitor center parking lot is tor up hopefully done by October hoping to figure how to keep the trails open this winter (hiking Trails)

9. Wellness Center - going well we need a thicker flooring in the weight room to get the warranty on the machines, we need to pick out the colors for tile bathrooms

10. Sewer System - Jean met with Ruby's and Jones and DeMille they are putting in devices to measure the flow into existing ponds they are having some issues but think they have come up with a solution to get accurate information. They want to have a meeting to give possible solutions treatment VS. ponds. We also need to have a meeting to decide how we are proceeding. We will look at the week of the 10th of October for the meeting

6. Planning Commission-Gary Syrett Public hearing 9:30 October 3rd on general plan then we will adopt in the council meeting at 10:00 if everything looks ok

7. Financial no information this meeting
