4. Other Business

A. Deanna Moore-Panguitch Balloon Festival: Deanna Moore expressed her appreciation for the City donation for the festival. Sunday morning, they were able to do the balloon lift, the weather wasn't permitting Saturday. Deanna will try and get the committee to come and visit with the council next year if there are any questions or concerns.

B. Fee for Weight Room: Discussed possibility \$10/month. How will insurance be affected? City likes to offer the public service. Watch damages if they get excessive then maybe charge. Most damage is just repair and maintenance right now. When someone signs up they have individual codes for the doors now. Nick will follow up with Alex. Maybe add vulgar language/videos not allowed to rules. Council recommends not charge for now. If problems arise then maybe start to charge.

C. Sidewalk by Shuttle Building: Issue with the side walk in the front of the shuttle building where the shuttle buses pull up. When two buses pull up to front the back bus is parked down from the side walk. People have to walk over curb, grass to get off the bus, this is becoming a hazard. Propose to extend the side walk, to reach the second bus. Harward and Reece proposed bid \$3000 to move sprinklers, and extend sidewalk. Motion made not to exceed \$5000 made by Gary, 2nd by Cherrie, Nick yes, Bryce Yes
