3. Adopt the agenda: Motion made by Mike, 2nd Cherrie, Nick, Bryce, Gary Yes

4. Other Business

A. Canyon 2 Canyon Follow up: Radio invoices will be turned into mike and Shiloh will get Ruby's Inn invoices. Jade did a survey and they talked about repairing bike path. More food vendors will be added next year. 283 participated in the event. Garfield County Sheriff dept. will be more supportive next year. There was one kid injured. They will address better respond time and get more help to support the event. Deanna thinks this will be a 500 to 600-person event. More shirts need to be ordered. Balloons didn't glow. Movie in the park didn't happen. Cost \$1000 for balloons. Not many bikers attend the balloons. 70 to 80 percent were locals. An individual bike was scratched and wants the city to repair. Estimated cost is \$4000. Mike will review the waiver and see if city is liable. There will be future discussion on charging for the events. Chris Wiley wants to do a big WOW at the end of the ride. Possibly banners and sponsors. Lunch and giveaways will be moved to Ruby's in lawn.

B. RAP Tax Updates: Jean is a heck of a spokesman. County commissioners passed the RAP tax and hope that we will help with future projects. Sydney is getting the tax on the ballot. Jean talked about TRT tax and figuring out recreation projects through the outdoor grants. Jean wants to put some energy and see what is possible. Mayor and council want to see ROI and how the city will benefit and not just jump into a project because of outside pressure.

C. Hire fulltime employee: What position do we want this to be? Deanna feels like she is not a city manager and Ruby's is her main priority. Mayor will work on job description and get the job posted.
