MEMORANDUM

TO: Mayor & Council
DATE: August 8, 2017
FROM: Duane Huffman
RE: **Purchase Approvals – Backhoe and Loader**

The City's procurement code requires that purchases of \$10,000 or more first be approved by the City Council.

The proposed FY 18 budget includes funding to replace a public works backhoe and loader.

Backhoe

The city currently owns two old backhoes (2004 & 2005) that are unreliable and costly to maintain. In FY 17 the city was able to lease a new backhoe for \$1,000/year, but that program ended.

Staff proposes purchasing a 2017 Caterpillar 420F2 E CF Backhoe for \$96,000 (see attached quote). This is the state-contracted price. The cost will be split between the General Fund and the Water Fund.

There is a sell-back option through Wheeler CAT, but it does not appear to be a good option. Instead, staff will explore the option of selling the new backhoe after one year through auction. If the purchase is approved, staff intends to sell one of the older backhoes at auction this September.

Loader

Over the last year the city purchased a loader for \$127K and sold it back after 12 months for \$149K. That particular program expired, but Wheeler CAT offers a program now where the city can purchase a larger loader for \$155,649 with a guaranteed buy-back of \$171,000, which will still net the city \$15K and provide the use of the equipment over the course of the year.

Staff proposes purchasing a new Caterpillar 938M QCF Wheel Loader for \$155,649 (see attached quote). This is the state-contracted price. The cost will be split between the General Fund and the Water Fund.

To obtain more information regarding the tax increase, citizens may contact City of West Bountiful at 801-292-4486.

MEMORANDUM

TO: Mayor & Council
DATE: August 10, 2017
FROM: Duane Huffman
RE: **Proposed Budget and Potential Property Tax Rate Increase**

As the city council decided to explore the option of adopting a property tax rate above the “certified rate,” the final adoption of the budget for the July 1, 2017 – June 30, 2018 is now set for the August 15th meeting, after the scheduled public hearing on the property tax rate. This memo briefly reviews (1) issues related to the property tax rate and (2) other proposed changes to the tentative budget as adopted in May.

Property Tax Rate

Toward the end of the development of the FY 2017/2018 budget, the council learned that a recent change in state law would prevent the city from collecting new property tax revenue from the recent significant addition of personal property. To allow for more consideration on how to address this issue, the council began the truth-in-taxation process.

The two options the council has considered to this point are:

1. Allow the tax rate to decrease based on the new law. This would result in homeowners seeing a year-over-year decrease in property taxes paid to the city. On average, homeowners could see a decrease of \$40 for the year.
2. Increase the rate above the “certified rate” to keep homeowners at or below last year’s payments but still collect new revenue based on increases in personal property. This would result in roughly \$194,000 a year (a previous memo mistakenly reported the difference as \$230,000/year).

Staff’s basic analysis of the city’s capital needs shows a shortfall of at least \$2M - \$3M in storm water and streets over the next 15-20 years. This revenue could cover that gap.

Proposed Changes from Tentative Budget

As the Tentative Budget was initially adopted for review in May, the city has had several months to consider changes. The attached budget sheets attempt to highlight in yellow each figure that is proposed to change between the Tentative and Final Budgets. The changes include:

- General Fund Revenues
 - Updated property tax collections
 - Updated sales tax projections
 - Updated transportation sales tax projections
 - 4th of July donation (received)
 - Payment by developer in-lieu of PUD amenities (received)

- General Fund Expenditures
 - Updated employee health insurance costs (all departments and funds)
 - Updated election expenses (no primary)
 - Updated expensive for city roof/HVAC system (moved from prior year)
 - Updated fire agency assessment
 - Payment to CenturyLink to relocate poles on 1100 W
 - Updated cost for backhoe (also in water fund)
 - Updated streets overlay cost (moved from prior year)
 - Removal of purchase of used snow plow truck (purchase occurred in prior year)
 - Additional transfer to the capital improvement fund (from new property tax collections)

- Park Impact Fee Fund
 - Updated cost for parks master planning services (split between years)

- Capital Improvement Fund
 - Increase in transfer from General Fund (new property tax collections)

- RAP Fund
 - Increased transfer to cover golf irrigation computer system

- Storm Water Fund
 - Updated for 1950 N and pump station projects

- Golf Fund
 - Updated purchase of golf irrigation computer system (purchase rather than financing)
 - Additional expenditure for HVAC work

As the truth-in-taxation process was started, the final FY 18 budget must now be in place by August 16th. A required public hearing has been advertised for the regular meeting on August 15th at 8pm.

WEST BOUNTIFUL CITY

RESOLUTION #417-17

***A RESOLUTION ADOPTING THE WEST BOUNTIFUL CITY BUDGET AND
PROPERTY TAX RATE FOR THE FISCAL YEAR 2017-2018.***

WHEREAS, the city is required to adopt an operating and capital budget for each fiscal year; and,

WHEREAS, the tentative budget has been available for comment and review by the public; and,

WHEREAS, a public hearing was noticed and held on June 6, 2017 to receive public comment on the tentative budget; and

WHEREAS, an additional public hearing was noticed and held on August 15, 2017 to receive public comment on the proposed property tax rate increase; and

WHEREAS, the city is required to adopt a property tax rate for each fiscal year; and,

WHEREAS, the city council finds that a property tax rate above that certified tax rate is necessary to support the capital needs of the city:

NOW THEREFORE, BE IT RESOLVED by the City Council of West Bountiful, Utah that the Fiscal year 2017-2018 Budget be adopted as established in the attached Exhibit A, and a property tax rate of 0.001566 be set.

EFFECTIVE DATE. This resolution shall take effect immediately upon passage.

Passed and approved by the city council of West Bountiful City this 15th day of August, 2017.

West Bountiful City Council Report August 15, 2017

Statistics are from July, 2017; the other information reported is collected between council meetings.

Crossing Guards

Mischelle is preparing the annual Crossing Guard training for the upcoming school year.

Personnel

Officer Allen Van Wagoner has successfully graduated the DARE training course and is excited to take over the program at West Bountiful Elementary this year.

EMPAC

EmPAC meeting was held on August 15th.

General Information

We have reposted the full time police officer position and have been contacted by several people, in addition to the current applicants, that are interested in the position. We should have enough applicants to hold a testing process soon.

We are very grateful for all of the people and organizations that came together to help find John Page. Sacrifice of time, money and equipment was given.

32 **3. Consider Purchase Approval for Golf Course Irrigation Central Computer and Satellite**
33 **System for \$109,071.**
34

35 Duane Huffman stated that during the development of the FY2017/2018 budget, staff
36 explained the need for a new central computer and satellite control system for irrigation at Lakeside
37 Golf Course. The current system dates back to 1993 and can no longer be maintained or updated.

38 A new system has been quoted to cost \$109,071 and the proposed FY2017/2018 budget
39 includes \$20k for the new system as the original intent was to finance over five years. At its June 20
40 meeting city council decided it would be better to purchase the irrigation system with available city
41 funds. City policy requires approval for all purchases over \$10,000.

42 There was discussion about whether to take the money from RAP or General fund and
43 because general funds can always be spent on future RAP projects, if necessary, the consensus was to
44 pay for the irrigation system out of the RAP fund which currently has a balance of \$250k.

45 **MOTION:** *Mark Preece Moved to Approve the Purchase of the Irrigation Computer*
46 *and Satellite System for Lakeside Golf Course for \$109,071 and pay for it out*
47 *of the RAP Fund. Andy Williams Seconded the Motion Which PASSED by*
48 *Unanimous Vote of all Members Present.*
49

50 **4. Discuss Proposed Compensation Plan.**

51
52 At the July 18 meeting, the city council was presented with the results of the compensation
53 study performed by Personnel Systems & Services. Mayor Romney noted that there was not much
54 time following the presentation to share thoughts on the proposal, discuss implementation, and
55 provide direction to staff.

56 Duane Huffman shared an outline for continued discussion which included thoughts about
57 how to proceed. He asked if council was satisfied with the proposed pay ranges or if they thought
58 additional work should be done.

59 Mr. Huffman then asked some questions regarding how to implement the pay ranges. For
60 example, a step system where employees each move at the same pace on an annual basis similar to
61 the current system; how long should it take for the average employee to be eligible to reach the
62 midpoint of a range? How long should it take an employee to reach the maximum of a range and
63 should there even be an expectation that all employees will be eligible to reach the maximum?
64 Should there be different pay systems for different departments? Should there be different systems
65 between front line employees and leadership?

66 There was general discussion on the above questions. Members thought the study was well
67 done but might require some fine tuning as we get more into it. Council member Ahlstrom likes the
68 idea of a step system for the police department and flexibility with other employees to make sure we
69 keep good employees especially at top levels.

70 Duane agreed to come back at a future work session with options on polices.
71

72 **5. Discuss Proposed Property Tax Increase.**

73
74 Duane Huffman reviewed the history of new legislation that would prevent the city from
75 collecting new property tax revenue from the significant addition of personal property within the city.

76 He presented two options the council has considered to this point. First, allow the tax rate to
77 decrease based on the new law which would result in homeowners seeing a year-over-year decrease
78 in property taxes paid to the city. On average the decrease could be \$40/year.

79 The second option is to increase the rate above the "certified rate" to keep homeowners at or
80 below last year's payments but still collect new revenue on industrial increases in personal property.

81 This would result in roughly \$230k a year that could be earmarked towards capital needs such as
82 storm water, roads, and public works facilities.

83 Council member Ahlstrom summarized this option as the status quo masquerading as tax
84 increase.

85 Mayor Romney commented that the city has been working hard on capital improvements and
86 he would hate to risk falling behind again as there is still a long way to go. The city is just over
87 halfway replacing cast iron water pipe, with approximately 23,000 feet left which will probably cost
88 around \$3-5 million to complete. There are also several needed streets projects such as 800 W, Porter
89 Lane, 1100 W, 660 W, and 600 W. Plus, we are in need of a new public works yard.

90 There was discussion about the cost of expected capital projects. For example, last year's
91 Pages Lane project included \$500k for water, \$433 for streets, and \$300 for storm water and a lot of
92 that was not anticipated.

93 There was discussion of existing resources for water, streets and storm water. There are some
94 sources of revenue for water and streets, but we do not have a viable funding source for storm water.

95 Mr. Huffman committed to returning with better monetary estimates for outstanding projects
96 which can be shown to residents at the public hearing, and commented that the \$230k per year
97 expected from this tax rate change would go a long way to meet future planning needs. He suggested
98 the funds be dedicated to capital projects, but not necessarily tied to a specific area of capital needs
99 like storm water or roads.

100 A public hearing will be held August 15.

102 **6. Public Works/Engineering Report.**

103

104 Steve Maughan –

- 105 • Thurgood is finishing up the storm drain on 1950 North tying everything together this
106 week; anticipate 800 West and 1950 North to be paved next week. He added that
107 Thurgood has been good to work with.
- 108 • Street overlays have been completed except for a little edge sweeping; installation of
109 collars will begin this week.
- 110 • Update on Dominion Energy – the 24" gas line is nearing completion through the city.
111 They plan to start filling it with water this Friday for testing. They are now working on the
112 smaller line. Jessi's Meadow Dr. will be closed Wednesday through noon on Friday to
113 pull the pipe through. He said he feels like we're finally seeing progress.
- 114 • Road striping will be re-done where it was affected by wind and rain.

115

116 Ben White

- 117 • It feels like just about every vacant property in the city is being looked at by developers.
118 Hamlet has applied for a PUD for their property and the owners of the property to the

119 south of Hamlet has told us they will ask for rezone from R-1-22 to R-1-10 to make their
120 property more desirable to developers.

136 James Bruhn

- 137 • Arts Council appreciation dinner for city council is at the golf course on August 10.

138

139 Mark Preece

- 140 • South Davis Sewer held a public hearing this week that was well attended as some people
141 believed the rates were going up from \$5/month to \$10 month, however, rates are not
142 going up.

143

144 James Ahlstrom

- 145 • Asked for the status on repairing the air conditioning system at the golf course. Mayor
146 Romney said he and Council member Bruhn helped over the weekend to prepare for the
147 contractor's duct work which is being done this week. Waiting on parts for the new unit
148 and the electrician is expected to be there next week to install the new unit.

149

150 Andy Williams

- 151 • Youth City Council is accepting applications for the next term. One of the first things on
152 their agenda will be to address bylaws.

153
