Eric and Lucile have spoken with Sherry Midell about displaying her art.

City administrator would like to have photography of images of the city on display in city hall. Eric suggested a contest. Lucile suggested having a committee to choose them. It would be nice to have a wall that displayed photos from the elementary children. Anjanette will look into that. Debbie suggested some be on unframed canvas. Shelly suggested making a calendar of some of the photos. Jim Child might be willing to help with finishing the photos. A notice should go out in the newsletter. Lucile: this will give the arts council another focus. Heather Gardner could be considered for photographs. Also Heather Murphy. Jim Child.

Shelly suggested doing a survey of people who read the news letter  
Lucile: Call, on line, in city hall

Lucile: we need feed back on money needed for Independence Day.

Davis County bands should be considered first for the parade. People would like to have the bands play more.

\$1000 should be available for prizes for children's games.

Debbie: Will just rent a dunking booth.

Anjanette: Would like to have better signs for the games  
Bean bags need to be replaced.

Lucile: What if each ward was expected to supply volunteers? Bishops could be called to ask for volunteers. Could the city match money for parade entries? Shelly will consider an estimate needed for the parade next month. Anjanette will look into available prizes.

West Bountiful is the only community doing a 4th of July celebration at the park. Mayor Romney would like to make it great!

People have asked for more food trucks. Debbie will look into a Hawaiian food truck.

Shelly will be thinking about others to invite to be in the parade.

Eric moved to adjourn. Shelly 2nd
