# **NOTICE OF PUBLIC HEARING**

West Bountiful City Council will hold a public hearing on June 4, 2019 at 7:30 pm, or as soon thereafter as possible, at the City offices, 550 North 800 West.

The purpose of the hearing is to receive input on (1) tentative amendments to the FY 2018-2019 budget, and (2) the FY 2019-2020 Tentative Budget, including the budget for the West Bountiful City Redevelopment Agency. The FY 2019-2020 Tentative Budget includes a proposed 2% increase in the city's pay scale, including elected officials. A copy of the proposed documents may be viewed during regular business hours at the City Offices, or on the City website: [www.wbcity.org](http://www.wbcity.org).

All interested parties are invited to participate in the hearing. Written comments may be submitted to the City Offices prior to the meeting.

Cathy Brightwell  
City Recorder

**WEST BOUNTIFUL CITY**  
**TENTATIVE BUDGET MESSAGE FOR**  
**FISCAL YEAR 2019/2020**  
**FISCAL YEAR 2018/2019 2<sup>ND</sup> AMENDMENT**

To the Honorable Mayor Romney, City Council, and residents of West Bountiful City:

Utah Code Annotated § 10-6-111 requires the budget officer to prepare and file with the city council a tentative budget for the coming fiscal year on or before the first regularly scheduled council meeting in May. This budget message introduces a tentative budget for the July 1, 2019 – June 30, 2020 fiscal year, as well as the proposed 2<sup>nd</sup> amendment to the current 2019/2020 budget.

At the meeting on May 7, 2019, I recommend the city council adopted the tentative budget with any needed changes and set a public hearing for June 4, 2019 at 7:30pm to receive public input prior to final consideration and approval. As updates become available and the council continues to consider priorities, it is expected that changes will be made to the tentative budget prior to final approval. The tentative budget adopted by the council must be available to the public at least 10 days prior to the public hearing. The final budget must be approved before June 22, unless a truth-in-taxation process is initiated to consider an increase in property taxes.

**FISCAL YEAR 2020 TENTATIVE BUDGET SUMMARY**

To organize and account for the various types of services provided, the budget is divided into several funds. Governmental funds are organized to show the revenues and expenses for services that are provided primarily through taxes. For West Bountiful City, these include the General Fund (administration, public safety, street maintenance, parks, community development, etc.), Recreation Arts & Parks (RAP) Tax Fund, Redevelopment Agency (RDA) Fund, Impact Fee funds, and various capital improvement funds. Enterprise funds represent services that are similar to commercial operations – these include the Water Fund, Solid Waste Fund, Storm Water Fund, and the Golf Course Fund.

**GENERAL FUND**

Overall, the health of the General Fund continues to improve from the lows experienced since 2008. The fund has experienced significant revenue growth from property tax receipts associated with an expansion at the local refinery and the expiration of a sales tax sharing agreement with a commercial development. Sales taxes within the city are highly sensitive to a small number of retailers as well as changes from the state, and as such the tentative budget conservatively projects no growth. Overall, the budget is built for a scenario with less revenue than the year before. The tentative budget proposes investments in capital projects and equipment (public works yard, 800 W road improvements, an excavator, service trucks, police vehicles). Also included is funding for 2% increase

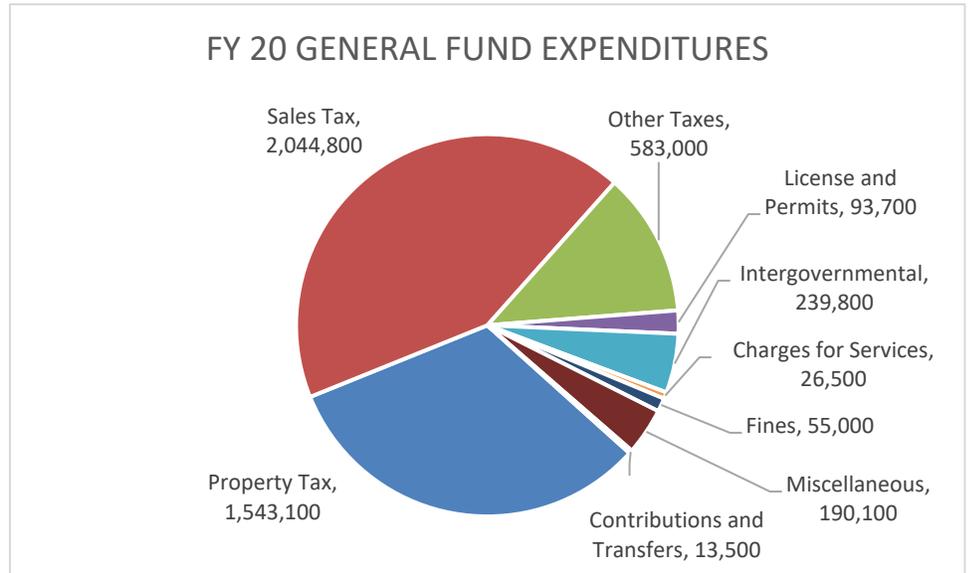

to the city’s pay scale to reflect inflationary pressure. Based on current projections and proposals, the tentative budget has the General Fund end the year with a fund balance of just over \$1.1 million.

**General Fund Revenues –**

The FY 2020 tentative budget includes conservative estimates that result in a slight decrease in overall revenue from the previous year.

The tentative budget does not propose an increase in property taxes or fee increases.

Total revenues are projected at \$4,789,500.

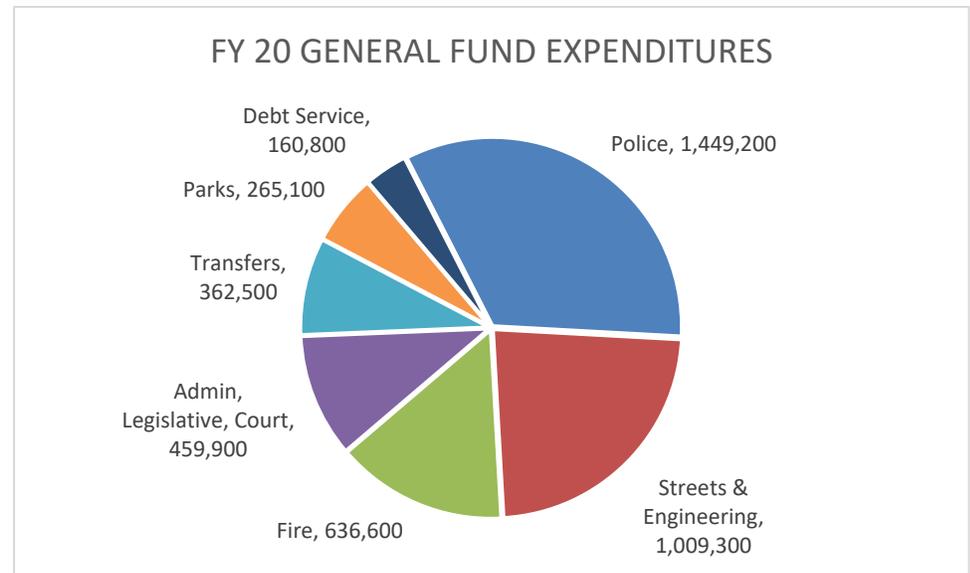

**General Fund Expenditures –**

This year’s tentative budget makes significant investments designed to improve long term efficiency and enhance the quality of services.

In terms of capital investments, the budget contemplates funding for equipment such as an excavator, police vehicles and public works service trucks. There is also a significant new public works yard and the 800 W street improvement project.

In terms of human capital, the budget invests for standard merit increases and an adjustment of the pay scale.

**RAP TAX FUND**

Collection of RAP Tax revenues flows the general funds sales tax approach. The tentative budget includes planned expenditures for a new restroom/snack shack at the city’s baseball fields, pickleball courts in front of the elementary school, improvements to the Charnell Park, year two of top dressing the turf at the main park, and capital investments at the golf course.

## **IMPACT FEES & CAPITAL IMPROVEMENT FUNDS**

To better account for projects that span multiple fiscal years, as well as to keep fluctuations in the General Fund to a minimum, the FY 2020 tentative budget includes project-specific capital improvement funds. Designated resources from the Streets Capital Improvement Fund (property taxes designated for streets), Impact Fee funds, Storm Water Fund, and the Water Fund are allocated to specific projects. Any remaining balances at the conclusion of a project will be transferred back to their originating fund. Capital Improvement funds include:

- Pages Lane II Project – Overall lay street as final completion of earlier project.
- New public works complex – Increase in Capital Projects Fund balance in preparation for large project.
- Re-build of 800 W from 1000N to 1600N – This large project will be funded through the Water Fund, Capital Project Fund, and the General Fund.

## **WATER FUND**

Water Fund revenues for FY 2020 are projected to be stable at \$1.5 million. The tentative budget includes increases for equipment, such as the fund's share for an excavator and service trucks. Capital improvement spending includes \$2 million set aside for a new culinary water well.

## **GOLF FUND**

Revenues at the golf course are highly dependent on favorable weather, which makes them difficult to project with any accuracy. To mitigate the swings in revenue and help build a fund balance for the future, the tentative budget includes an operations transfer from the General Fund. The proposed expenditures reflect the continued strategy of catching-up on deferred needs, including investments tee box rehabilitation, material storage, and cart paths.

Overall, the City's finances are healthy and stable. The FY 2020 tentative budget is designed to make strategic investments with available funds while retaining the flexibility to pull back spending when required by fluctuations in future year revenues.

## **FISCAL YEAR 2019 PROPOSED 2<sup>nd</sup> AMENDMENT SUMMARY**

It is often necessary to adjust an adopted budget. The bullet points below highlight proposed changes to the current FY 2018/2019 budget:

- General Fund Revenues:
  - Relabeling of city's municipal energy tax, telecommunication tax, and franchise fees.
  - Increase building permit and other development fee collections;
- General Fund Expenditures:
  - Increase in capital expenditures in administration for server room HVAC;
  - Adjustments General Government to move the city hall parking project into FY 20;
  - Several adjustments to reflect actual costs of planned projects.
  - A substantial increase in transfers to the Capital Projects Fund to ensure that the General Fund balance will be within legal limits.
- Impact Fee Funds:
  - Various increases to reflect actual collections.

- RAP/Park Impact Fee Funds:
  - Several adjustments to reflect actual costs of planned projects;
  - Move construction of new restroom into FY 20.
- Capital Project Fund/Pages Lane II Fund:
  - Transfer from Capital Project Fund to Pages Lane II Fund to cover expenditures until grant from the state is received.
- Enterprise Funds
  - Various adjustments to reflect updated costs.

# MEMORANDUM

**TO:** Mayor and City Council

**DATE:** May 30, 2019

**FROM:** Ben White

**RE:** Request to Defer the Responsibility to Construct Public Improvements at 1636 N 560 West as a Condition of a Building Permit

---

## Background

The City Council affirmed that the construction of curb and sidewalk along the street frontage of 560 West was required as part of the building permit for a new house. The Council also acknowledged that they would reconsider the decision if the design demonstrated that the scope of work to install the required improvements exceeded widening the existing asphalt road, storm drainage, curb and sidewalk along the frontage of the property.

## Curb Design Requirements

A topographic survey of 560 West street survey confirmed what has been speculated. 560 West street is essentially flat between Pages Lane and the cul-de-sac bubble. In order to achieve proper drainage, the entire 350-foot section of road will need to be removed, regraded and reconstructed.

For this reason, the Clydes are petitioning the City Council to reconsider the requirement to install curb and sidewalk.

## Possible Options

Options to address the issue include:

1. Defer the installation of curb and sidewalk
2. 560 West has a 4" cast iron water line that needs replaced. Council could elect to replace the water line and street now while having the Clydes participate in the financial cost to install curb and sidewalk along the frontage of their property.
3. Install the curb, storm drainage and sidewalk along the frontage of the property matching the existing asphalt elevation while providing for as good of drainage as possible.

# MEMORANDUM

**TO:** Mayor and City Council

**DATE:** May 2, 2019

**FROM:** Ben White

**RE:** Request to Defer the Responsibility to Construct Public Improvements at approximately 1400 W 400 North as a Condition of a Building Permit

---

The Neuschwander family has submitted a building permit application to construct a new house on their vacant two acre parcel located at approximately 1400 W 400 North.

## Background

Neuschwanders installed water and sewer services while Dominion Energy was working in front of and on their property. They completed that work prior to Dominion Resurfacing the road to avoid a road cut in front of their future house. Upon review of Neuschwander's building permit application, staff made the determination that WBMC 15.08.50 is applicable and the installation of curb and sidewalk would be required. The paragraph reads:

*"The installation of curb, gutter, sidewalks, drainage culverts, and covered or fenced irrigation ditches of a type approved by the land use authority may be required on any existing or proposed street adjoining a lot on which a building is to be constructed or remodeled, or on which a new use is to be established. Such curbs, gutters, sidewalks, drainage culverts, and safety features for irrigation ditches and canals may be required as a condition of building permit approval. "*

In relation to public improvements *within subdivisions*, WBMC 16.20.020 grants the city council the authority to defer by agreement the construction of required improvements when it *"finds compelling reasons why the city's interests are better served by deferring the construction."* The code does not address the council's authority to release the owner for the responsibility of improvements.

Possible rational in favor of granting the deferment request:

1. There is not curb or sidewalk within 700 feet on the north side of 400 North. The only curb on 400 North, west of 1100 West, is one lot width at Jessi's Meadow.
2. Most of 400 North has homes already constructed on it. The likelihood of another property owner on the north side of 400 North being required to install curb on the north side of 400 North in the near future is slim.
3. The street may not look as attractive if there was only one house with curb and sidewalk
4. Traffic safety is often a concern when the street width varies.
5. Mailbox placement is sometimes problematic.

Possible rational to deny the deferment request:

1. The land parcel is 230 feet wide which represents a considerable section.
2. The parcel is two acres with enough frontage for two houses. It is possible that the lot is subdivided in the future and a second house constructed.
3. The city standard for streets includes curb and sidewalk.
4. There are on-going discussions about development of the nearby equestrian center. When it develops, improvements on this section of 400 North may be required.
5. Calling improvement agreements due is never popular.

As noted above, there are many compelling arguments why curb and sidewalk should be constructed now and why it should be deferred into the future.

# MEMORANDUM

**TO:** Mayor and City Council

**DATE:** May 30, 2019

**FROM:** Ben White, City Engineer

**RE:** Hurdman Subdivision Amendment

---

## Summary

Robert Hurdman and Richard Fletcher own the two lots in this plat. In 2014, they agreed to modify their property boundaries to “square up” Lot 1. They modified landscaping and had an amended plat prepared. However, approval and recording the amended plat was overlooked. The two owners are now requesting the City approve the plat amendment to modify property lines in accordance with the Owner’s agreement five years ago.

## Analysis and Proposed Changes

The following points are noted regarding the proposed plat amendment.

1. No new lots are created with this amendment.
2. The remaining lots meet the minimum requirements for their R-1-22 zone and previous plat approval.
3. The public utility easements are unchanged.
4. The City is the only public entity affected by the plat amendment.

Staff is recommending approval of the amended Hurdman Subdivision plat. The only change noted is that the plat title include the word “Amended”.

# MEMORANDUM

**TO:** Mayor and City Council

**DATE:** February 15, 2019

**FROM:** Duane Huffman

**RE:** **Catalpa Trees**

---

At the May 7<sup>th</sup> council meeting staff was asked to research a species of catalpa trees called umbrella catalpas, specifically regarding their status as prohibited in city park strips. This was in relation to a request from Mr. Robert Luke, 789 W 1950 N, who recently planted nine such trees in the park strip in the front and side his home. At the same meeting, staff asked Mr. Luke for any assistance he could offer regarding the exact species, and he was also asked to trim his older trees as soon as possible.

Based on the research summarized below, as well as Mr. Luke's failure to perform any maintenance on the older trees since May 7<sup>th</sup>, staff does not recommend amending the current official tree list to allow umbrella catalpa trees.

## Umbrella Catalpa

I contacted both of the horticulture agents that provided Mr. Luke the letters submitted with his April 29<sup>th</sup> materials. Assistant Professor Sheriden Hansen is the only one that responded to my calls and e-mails. She emphasized that umbrella catalpas would only be compatible in a narrow park strip if it is trimmed completely back each year. If this maintenance occurs, the width of the tree would remain about 5'. If the branches are not trimmed back each year, the tree will reach a width of 15-20', and a total height of 15-20'. This would not be compatible for the standard park strips in West Bountiful.

For more details, I have included information from the University of Utah regarding umbrella catalpas, including an image of a mature tree. For an example of the seasonal growth of a mature tree that has been pruned back, there is a video on YouTube titled "Time Lapse Catalpa Tree - Part Two (May to Oct 2014)".

## Maintenance

Also attached to this memo are photos of the overgrown trees in front of Mr. Luke's home that were taken on 5/30/19. This is evidence that it is not reasonable to expect such trees to be trimmed back each year.

# FACILITIES MANAGEMENT (/)

## Umbrella Catalpa

### *Catalpa bignonioides* 'Nana'

**Leaves:** Deciduous. Heart-shaped leaves vary from 4-8" long, 3-8" wide, and have a smooth leaf edge. Medium to dark green leaf color. Fall color is insignificant. Leaves sometimes drop while still green. Strong odor when crushed.

**Bark/Twigs:** Fissured, grayish-brown bark with furrows, sometimes thick and with red-brown scales. Bark is easily damaged and thin when young.

**Flowers/Fruit:** Rarely flowers. Rarely, if never produces fruits.

**Mature size and shape:** Small. 15-20'h x 15-20'w. Dwarf, bushy variety with a rounded, uniform, and dense crown that is umbrella or mushroom shaped.

**General information/special features:** Plant in full sun. Moist, rich soil is preferable. A grafted dwarf cultivar of the Southern catalpa that looks like a large mushroom, globe, or umbrella.

**Landscape use and Maintenance:** Stands out as a beautiful specimen tree with a unique form. Slow to medium growing rate. Average maintenance. Can be planted near power lines. Weak wood. Normally grafted at 4-5' above ground.

**Family/Origin:** Bignoniaceae – Catalpa. Of French origin. A grafted dwarf cultivar of the Southern catalpa that looks like a large mushroom, globe, or umbrella.

550 North 800 West, West Bountiful, UT 84087 (801) 292-4486

# MEMORANDUM

**TO:** Mayor and City Council

**DATE:** May 30, 2019

**FROM:** Duane Huffman

**RE:** **Expenditure Approval**

---

The city's procurement code requires that certain expenditures of \$10,000 or more first be approved by the city council. Approval is requested for the following:

1. Land Purchase for Trail Connection – 620 W 1950 N

As previously discussed the city has been in discussion with Eric and Lucile Eastman regarding the purchase of land or easement along their northern property line with the intent of extending the Onion Parkway Trail to 600W. While negotiations are not completely finalized, staff is seeking council approval for a purchase of property up to \$10,400 (\$9.59 per square foot). Such approval will allow the city to issue payment once negotiations are concluded and the property is deeded to the city.

# MEMORANDUM

**TO:** Mayor & Council

**DATE:** May 30, 2019

**FROM:** Cathy Brightwell, Duane Huffman

**RE:** West Bountiful City Polling Location and Vote Centers for 2019 Municipal Election

---

The 2019 Municipal Election(s) will be conducted by mail, however, the County will have at least one polling location set up in each Davis County city on Election Day(s) on August 13, if there is a Primary Election, and November 5 for the General Election to accommodate voters who cannot vote independently on a paper ballot, did not receive a ballot in the mail, have misplaced their ballot or choose to submit their ballot in person at a polling location.

Utah State Code §20A-5-403(1)(b) states that “Each election officer shall obtain the approval of the county or municipal legislative body or local district governing board for those polling places.” The proposed polling location in West Bountiful is the West Bountiful City Hall, located at 550 N 800 West.

Also, designating the polling places in each of the other Davis County cities as Vote Centers by the Council enables West Bountiful residents to vote in any of those Vote Centers on Election Day(s).

# MEMORANDUM

**TO:** Mayor and City Council

**DATE:** May 30, 2019

**FROM:** Duane Huffman

**RE:** **1100 W Sidewalk Options**

---

This memo summarizes options related to connecting street improvements on the east side of 1100W between Millcreek and 190N.

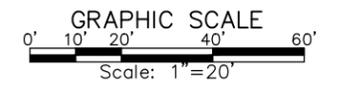

## Background

After HollyFrontier completed street/sidewalk improvements from 500S to Millcreek, the city immediately began exploring how to connect the new improvements to existing improvements at 190N. The original FY 19 budgeted included \$70,000 for asphalt, curb, gutter, and sidewalk funded through street impact fees for such a project.

Due in part to other city projects competing for staff time and the difficulties of the design, staff did not bid this project earlier this year. Mayor Romney has expressed a desire for some level of improvements to be installed for the 2019/2020 school year to increase the safety of children traveling from the area to the elementary school. Staff has developed the following three options for how to move forward.

## Options

1. Bid the project using the standard bid process. Now that the design is complete, staff believes that this project will exceed the budgeted \$70,000, and will likely be closer to \$90,000-\$110,000. Generally, a formal sealed competitive bid process is used for projects over \$50,000. Staff believes that using this process now will likely result in the project being completed in early 2020 or at very high prices in 2019.
2. Obtain quotes from trusted contractors doing projects in the area. There is some chance that contractors doing similar projects within the city could complete this project this year. The city's procurement regulations allow for a project to be awarded without competitive bidding for emergencies that threaten the public's health or safety. A reasonable argument could be made that providing a safe route to school meets this criteria. Multiple quotes and council approval would still be necessary.
3. Extend asphalt without completing other improvements. If the project was pared down to just include new asphalt to create a walking path similar to other sections of 1100W, the cost would be closer to \$20,000-\$30,000, which is below the level required for competitive bidding. Staff believes that much of the asphalt installed in this scenario will be replaced if and when the curb and sidewalk is eventually installed. In addition, connecting the sections of sidewalks seems a safer route than the widened asphalt. Multiple quotes and council approval would still be necessary.

**DATE:** May 30, 2019

**FROM:** Duane Huffman

**RE:** **Personnel Policy Amendment – Policy Providing Light Duty for Pregnant Employees**

---

This memo describes a proposed amendment to the West Bountiful City Employment Policies and Procedures Manual to create a policy that provides pregnant employees with light duty work options if they are unable to perform a physical component of their job due to pregnancy. This item came to the city's attention as part of our annual inspection by the Utah Risk Management Mutual Association.

The language proposed in the attached materials comes from the public safety policies provided to the police department through Lexipol, LLC.

## RESOLUTION #453-19

### A RESOLUTION AMENDING THE WEST BOUNTIFUL CITY EMPLOYMENT POLICIES AND PROCEDURES MANUAL REGARDING PREGNANT EMPLOYEES

**WHEREAS**, Section 10-3-717 of Utah Code authorizes the city council to establish by resolution personnel policies and guidelines; and,

**WHEREAS**, periodic reviews and modifications are necessary to ensure that polices and guidelines are lawful, proper, and effective; and,

**WHEREAS**, the West Bountiful City Council now desires to amend the Employment Policies and Procedures Manual to better accommodate physical limitation of pregnant employees:

**NOW THEREFORE, BE IT RESOLVED** by the City Council of West Bountiful that:

1. The *West Bountiful City Employment Policies and Procedures Manual* is amended as shown in the attached Exhibit A.
2. The provisions of the *Manual* shall be severable, and if any provision thereof or the application of such provision under any circumstance is held invalid, it shall not affect any other provisions of the *Manual* or the application in a different circumstance;
3. This resolution shall be in effect upon adoption.

Passed and approved by the City Council of West Bountiful City this 4th day of June 2019.

## SECTION 12: REASONABLE ACCOMMODATIONS FOR PREGNANT AND NURSING EMPLOYEES~~MOTHERS~~

---

1) Pregnancy: If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment.

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the City's personnel rules and regulations regarding family and medical care leave.

2) Nursing: The city will provide reasonable accommodations for nursing mothers to include the following:

- 1) In addition to normal breaks, reasonable daily uncompensated break periods, as requested by the employee to his or her supervisor, will be granted following the birth of a child to allow the employee time to express breast milk or feed her child.
- 2) The city will provide the following in a private room designated for breastfeeding or expressing milk:
  - a) Chair
  - b) Table
  - c) Electrical outlet
  - d) Refrigerator access, and
  - e) Microbiological wipes/cleanser
- 3) Employees may use their own private office or other locations that meet the criteria of this policy agreed upon in consultation with their supervisor.
- 4) Employees may store expressed milk in a break room refrigerator, a designated refrigerator, or the employee's personal cooler. Containers must be labeled with the employee's name and date.

Re: *Interlocal Cooperation Agreement Relating to the Conduct of Community Development Block Grant Program for Federal Fiscal Years 2020, 2021, and 2022*

Dear Duane:

Recently Davis County notified the city of Bountiful that the County is in the process of renewing the Urban County Community Development Block Grant (CDBG) program. This process is in accordance with 24 CFR 570.307(a) to meet U.S. Dept. of Housing and Urban Development (HUD) for the CDBG Urban Counties Program qualification requirements for Fiscal years 2020-2022.

In reviewing the past agreement it was determined that an update to the original agreement from 2010 is required to maintain the eligibility of all parties. As such the County has prepared the attached interlocal CDBG participation agreement. This agreement supersedes all previous agreements and amends and adds required changes adds requirements as mandated by HUD.

The process for adoption is as follows:

- Review and;
- Adopt by resolution;
- Signature by the Mayor;
- Return by June 7, 2019

If you have any questions or require further assistance, please contact Stephen Lyon at 801-451-3495 or via email at [slyon@co.davis.ut.us](mailto:slyon@co.davis.ut.us).

Sincerely,

Stephen F. Lyon, MPA  
Grants Administrator

## **RESOLUTION #454-19**

### **INTERLOCAL COOPERATION AGREEMENT RELATING TO THE CONDUCT OF COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM FOR FEDERAL FISCAL YEARS 2020, 2021, AND 2022**

This Agreement is between Davis County, Utah, a body politic and corporate and legal subdivision of the state of Utah (the "County"), and the City of West Bountiful, a municipal corporation of the state of Utah (the "City"). The County and the City may be collectively referred to as the "Parties" in this Agreement.

#### **RECITALS**

A. In 1974, the United States Congress enacted the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 et seq.) (the "Act"); and

B. The primary objective of the Act is the development of viable urban communities, by providing decent housing and a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income; and

C. To implement the objectives of the Act, the United States Department of Housing and Urban Development ("HUD") has issued regulations governing the conduct of the Community Development Block Grants ("CDBG") program, published in 24 Code of Federal Regulations ("CFR"), Part 570 (the "Regulations"); and

D. Pursuant to the Regulations, a county may qualify as an "urban county," as defined in Section 570.3 of the Regulations and Section 102(a)(6) of the Act, and thereby become eligible to receive entitlement grants from HUD for the conduct of CDBG program activities as an urban county; and

E. The county has qualified as an urban county and is eligible to receive entitlement grants from HUD for the conduct of CDBG program activities as an urban county; and

F. Pursuant to the Regulations, certain units of general local government located within the County's boundaries, including the City, may be included in the urban county for qualification and grant calculation purposes by entering into cooperation agreements with the County; and

G. The Parties desire to enter into this Agreement.

NOW, for and in consideration of the mutual promises, obligations, and/or covenants contained herein, and for other good and valuable consideration, the receipt, fairness, and sufficiency of which are hereby acknowledged, and the Parties intending to be legally bound, the Parties do hereby agree as follows:

1. This Agreement covers the CDBG entitlement program, as delineated under the Act and the Regulations. Through this Agreement, the City is a part of the County (as an urban county under the Act and Regulations) for CDBG qualification and grant calculation purposes.

2. By executing this Agreement, the City acknowledges, understands, and agrees with all of the following:
  - A. The City may not apply for grants from appropriations under the State CDBG program for the Three-year Qualification Period.
  - B. The City may receive a formula allocation under the HOME program only through the County, as an urban county under the Act. Thus, even if the County does not receive a HOME formula allocation, the City is precluded from forming a HOME consortium with other local governments. The provisions of this subsection directly above, however, do not preclude the County or the City from applying to the state of Utah for HOME funds, if allowed by the state of Utah.
  - C. The City may receive a formula allocation under the Emergency Solutions Grants (“ESG”) program only through the County, as urban county under the Act. The first sentence of this subsection does not preclude the County or the City from applying to the state of Utah for ESG funds, if allowed by the state of Utah.
3. The period covered by this Agreement is federal fiscal years 2020, 2021, and 2022 (the “Three-year Qualification Period”). This Agreement commences on October 1, 2019 and will remain in effect through the later of September 30, 2022, or until the CDBG funds and program income received (with respect to activities carried out during the Three-year Qualification Period) are expended and the funded activities completed. The Parties acknowledge and agree that they may not terminate this Agreement and may not withdraw from this Agreement while it remains in effect.
4. The Parties agree to cooperate to undertake, or assist in undertaking, community renewal and lower-income housing assistance activities. The City agrees and authorizes the County to undertake essential community renewal and lower income housing activities within the City’s municipal boundaries, including CDBG program activities and projects within the City’s municipal boundaries. The City further agrees and authorizes the County to undertake essential community development and housing assistances activities within the City’s municipal boundaries. More specifically, the Parties agree to cooperate in the development and selection of CDBG program activities and projects to be conducted or performed within the City’s municipal boundaries.
5. The Parties agree to:
  - A. Take all actions necessary to assure compliance with the County’s certification under Section 104(b) of the Act; specifically, to conduct and administer the grant in conformity with the Civil rights Act of 1964 and the Fair Housing Act, and to conduct and administer the grant in a manner that affirmatively furthers fair housing;
  - B. Comply with Section 109 of the Act, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975;
  - C. Comply with all other applicable laws; and
  - D. Comply with the applicable provisions of the grant agreements received by the County from HUD as well as the rules, regulations, guidelines, circulars and other requisites

promulgated by the various federal departments, agencies, administrations and commissions relating to the CDBG program.

6. The Parties acknowledge, understand, and agree that the County may not provide any CDBG funding for activities in or in support of any cooperating unit of general local government, including the City that does not affirmatively further fair housing within its jurisdiction, or that impedes the County's actions to comply with the County's fair housing certification.
7. The City affirms that it has adopted and is enforcing:
  - A. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
  - B. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such nonviolent civil rights demonstrations within its jurisdiction.
8. The Parties agree not to veto or otherwise obstruct the implementation of the approved consolidated plan. The Parties further agree that the County has the final responsibility for selecting CDBG program activities and projects as well as submitting the consolidated plan to HUD.
9. Pursuant to Section 570.501(b) of the Regulations, the Parties acknowledge and agree that the City is subject to the same requirements applicable to subrecipients, including the requirement of a written agreement as described in Section 570.503 of the Regulations.
10. The Parties acknowledge and agree that a unit of general local government may not sell, trade, or otherwise transfer all or any portion of CDBG funds to another metropolitan city, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations; rather, CDBG funds must be used for activities eligible under Title I of the Act.
11. Any notices that may or must be sent under the terms and/or provisions of this Agreement should be delivered, by hand delivery or by United States mail, postage prepaid, as follows:

<u>To the City:</u> West Bountiful Attn: City Administrator 550 North 800 West West Bountiful , UT 84087	<u>To the County:</u> Davis County Attn: CDBG Grants Administrator P.O. Box 618 Farmington, UT 84025
--	--

12. No separate legal entity is created by this Agreement.
13. This Agreement will be authorized and approved by the legislative body of each Party by resolution or ordinance in accordance with Section 11-13-202.5, Utah Code Annotated, as

amended, and a duly executed original counterpart of this Agreement will be filed with the keeper of records of each Party in accordance with Section 11-13-209, Utah Code Annotated, as amended. Moreover, this Agreement will be submitted to the authorized attorney for each Party for a legal opinion satisfying the Act and in accordance with applicable provisions of Section 11-13-202.5, Utah Code Annotated, as amended.

14. This Agreement, including all attachments, if any, constitutes and/or represents the entire agreement and understanding between the Parties with respect to the subject matter herein. There are no other written or oral agreements, understandings, or promises between the Parties that are not set forth herein. Unless otherwise set forth herein, this Agreement supersedes and cancels all prior agreements, negotiations, and understandings between the Parties regarding the subject matter herein, whether written or oral, which agreements, if any, are void, nullified, and of no legal effect if they are not recited or addressed in this Agreement.
15. This Agreement and its provisions may not be supplemented, amended, modified, changed, discharged, or terminated verbally. Rather, this Agreement and all provisions hereof may only be supplemented, amended, modified, changed, discharged, or terminated by an instrument in writing, signed by the Parties.
16. If any part or provision of this Agreement is found to be invalid, prohibited, or unenforceable in any jurisdiction, such part or provision of this Agreement shall, as to such jurisdiction only, be inoperative, null and void to the extent of such invalidity, prohibition, or unenforceability without invalidating the remaining parts or provisions hereof, and any such invalidity, prohibition, or unenforceability in any jurisdiction shall not invalidate or render inoperative, null or void such part or provision in any other jurisdiction. Those parts or provisions of this Agreement, which are not invalid, prohibited, or unenforceable, shall remain in full force and effect.
17. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered, shall be deemed an original, and all such counterparts taken together shall constitute one and the same Agreement.

**PENDING – Not Yet Approved**

Minutes of the West Bountiful City Council meeting held on **Tuesday, May 7, 2019** at West Bountiful City Hall, 550 N 800 West, Davis County, Utah.

Those in attendance:

**MEMBERS:** Mayor Kenneth Romney, Council members, James Ahlstrom, James Bruhn, Kelly Enquist, Mark Preece, and Andy Williams

**STAFF:** Duane Huffman (City Administrator), Steve Doxey (City Attorney), Todd Hixson (Chief of Police), Ben White (City Engineer), Steve Maughan (Public Works Director), Cathy Brightwell (City Recorder), Dallas Green (Director of Golf)

**VISITORS:** Alan Malan, Dan Broderick, Dennis Vest, Robert Luke, Ryan & Tyson Wood, Brennan Halliday, Ann Huston, Ciara Keller, Jennifer Alvarado, Rick Nott, Connor Halliday, Blake & Laura Lee Anderson

Mayor Romney called the regular meeting to order at 7:30 pm. Boy Scouts Tyson and Ryan Wood from Troop 280 gave the Scout Oath and led the Pledge of Allegiance.

**1. Approve Agenda**

**MOTION:** *James Bruhn made a Motion to approve the agenda as presented. Andy Williams seconded the Motion which PASSED by unanimous vote of all members present.*

**2. Recognition of Blake Anderson for Twenty Years' Service with West Bountiful City.**

Mayor Romney introduced Blake Anderson to recognize his twenty-year anniversary of employment with the City. Steve Maughan, public works director, presented an appreciation plaque and read a letter to Blake highlighting his accomplishments over the years.

**3. Introduce and Conduct Oath of Office for Police Officer Brennan Halliday.**

Mayor Romney introduced and welcomed Officer Brennan Halliday who recently graduated from the Police Academy and is just beginning his second week at West Bountiful. Mayor Romney gave him the Oath of Office.

**4. Public Comment – two minutes per person, or five minutes if speaking on behalf of a group.**

No comments.

48 **5. Discussion Regarding Park Strip Trees at 789 W 1950 North.**  
49

50 Duane Huffman summarized the issue of recently planted catalpa trees in the park strip that  
51 fronts both sides of the corner at 789 W 1950 North, owned by Mr. Robert Luke. The city contacted  
52 Mr. Luke in late 2018 and in early 2019 regarding concerns with nine new Catalpa trees planted in  
53 the park strip. The City adopted an official tree planting list in 2009, pursuant to WBMC 12.20.080,  
54 that designates which species may be planted in park strips. All species of catalpa trees are listed as  
55 banned in any park strip.

56 After visiting the residence, sending multiple letters, and meeting with Mr. Luke, he was  
57 ultimately given formal notice on March 27<sup>th</sup> that if the trees were not removed by May 1<sup>st</sup>, the city  
58 would remove the trees and bill the owner for the cost.

59 In a letter received by the city on April 29, Mr. Luke stated that the new trees are Catalpa  
60 *Umbrella* trees which were developed for park strips so they should not be on the banned list. He said  
61 he had no idea they would cause this much trouble; his intent was to improve the look of the corner  
62 with these trees unlike his neighbors who have placed concrete in their park strips. Included with his  
63 letter were pictures of nicely trimmed Catalpa trees and a letter from a Horticulture Agent from USU  
64 Extension (Weber & Morgan County) that supported his claim that this particular variety of Catalpa  
65 should work well in park strips. A second letter was provided from an Asst. Professor of Horticulture  
66 at the Davis County office of USU Extension stating that if properly maintained Umbrella Catalpa  
67 trees can be very small. Their root zone is fairly small and non-aggressive which is ideal when  
68 dealing with small spaces and sidewalks but there is concern that the dense canopy can block  
69 visibility. He said he has not found any city in the area that bans these trees and provided a copy of  
70 Bountiful City's tree list that allows Catalpa Umbrella trees.

71 There was discussion about the existing Catalpa trees in Mr. Luke's front home in the park  
72 strip and his lack of maintenance of the trees over the years. They overhang the road and sidewalk  
73 and have caused damage to the sidewalk and curbing. Mr. Luke said he does not know what kind of  
74 Catalpas are in his front park strip, but they have been there for forty years. He plans to trim them and  
75 take better care of them going forward. He explained that the trees he purchased are different than a  
76 regular catalpa; they are very small and the roots travel down rather than out especially with a drip  
77 irrigation system which he plans to install. The branches are intended to be trimmed all the way down  
78 every fall to keep the tree small. He also found an arborist who will trim the existing ones and make  
79 them pretty.

80 Mr. Luke explained that he plans to trim both the existing and new trees every year, so they  
81 do not get out of hand and he offered to fix the lifting sidewalk.

82 Council member Ahlstrom noted that the tree list clearly identified the nine new trees were  
83 prohibited at the time they were planted. He said he appreciates the tone of Mr. Luke's letter and  
84 supporting documentation, but the city is tasked with enforcing ordinances. Whether or not Mr. Luke  
85 knew about or read the City's Tree List, it was still in effect. He suggested that this might be better  
86 handled as a request to change the tree list so that certain species of Catalpas are allowed. Mr. Luke  
87 agreed.

88 Council member Williams commented that the city needs to look at both the existing trees and  
89 new trees. It is not clear that the existing trees and sidewalk can be fixed, and we need to make it safe.  
90 Mr. Luke again said he would be willing to fix the sidewalk.

91 Mayor Romney asked staff to review specific species of Catalpa trees, contact other agencies,  
92 and come back with a recommendation. Council member Enquist asked that if possible, staff include  
93 examples of this specific tree at different ages to help them make a decision.

94 Duane Huffman said they will research new species of Catalpas and present a  
95 recommendation at the next meeting. He added that the overhanging branches on the existing trees  
96 need to be trimmed as soon as possible.

97

98

99

**6. Consider Request to Defer or Release the Responsibility to Construct Public  
Improvements at 1636 N 560 West as a Condition of a Building Permit.**

100

101

102

103

104

105

106

107

108

Ben White explained that Mr. Ken Clyde is requesting a release or deferral of the responsibility to construct public improvements in conjunction with a building permit application for his property at 1636 N 560 West. They are planning to demolish the existing house and construct a new, larger home on the same property which under WBMC 15.08.50 requires installation of public improvements. The Clyde's are aware of the requirement but as there is no curb or sidewalk on any other part of 560 West and as a cul-de-sac is not a safety issue for pedestrians, they request that the city council release, grant a deferment, or waive the requirement.

109

110

111

112

WBMC 16.20.020 grants the city council authority to defer the construction of required improvements when it "finds compelling reasons why the city's interests are better served by deferring the construction." The code does not address the council's authority to release the owner from the responsibility of improvements.

113

114

115

Mr. White noted that staff does not have a recommendation, but there is a drainage issue that exists on the current road so the solution to that issue will be dependent on whether or not curb is installed.

116

117

Mr. Dan Broderick spoke on behalf of the Clydes. He said they are not opposed to putting in the improvements they just want to do what makes sense.

118

119

120

121

There was discussion of the issue. Council member Ahlstrom is concerned that even though this is in a cul-de-sac and there are no current plans to improve the road, it connects with existing sidewalk on Pages Lane and he is struggling to come up with a compelling reason to defer it. While he has reluctantly agreed to deferrals in the past, there may not be reason in this case to wait.

122

123

Council member Bruhn agrees that with all the work that has been done on Pages Lane, it makes sense to continue the sidewalk around the corner.

124

125

126

127

Council members Enquist and Williams prefer to wait until we know what work needs to be done on the road to fix the drainage issue and are ready to do something with the entire street. It's a short rural street and the residents may not want sidewalk. Mr. Huffman responded that the city standard is curb, gutter, sidewalk.

128

129

130

131

132

Mayor Romney asked what street work would be required to fix the drainage issues if we make them install the improvements. Mr. White responded that he is not sure what street work would be required. The four-inch water line will need to be replaced in the next 10-12 years. The road is flat, and the asphalt is not graded properly so an additional catch basin will need to be constructed whether curb is installed or not.

133

134

135

136

Mr. Huffman said it may make sense to wait until we can get more information on the impact to the road. He also questioned the city's willingness to call deferrals due in the future. Regardless of the decision tonight, the building permit should not be delayed.

137

138

Mayor Romney offered four options for consideration – release the responsibility, defer it, deny the request, or deny it and research the impact.

139

140

**MOTION:** *James Ahlstrom made a motion to deny the deferral and require standard improvements. When all design work for drainage issues is done, the council*

141 *may consider contributing to necessary road work that causes exorbitant cost*  
142 *to resident. If something changes after a design is complete, then we can*  
143 *reconsider. James Bruhn seconded the Motion which PASSED.*

144 The vote was recorded as follows:

145 James Ahlstrom – Aye	Mark Preece – Aye
146 James Bruhn – Aye	Andy Williams – Nay
147 Kelly Enquist – Nay	

148  
149 **7. Consider Authorization of Application for Permanent Change of Water (Blackgate**  
150 **Investments)**

151  
152 The city council previously approved the Highgate subdivision with the stipulation that the  
153 developer deed enough quantity of water to the City to satisfy the water right requirement. The  
154 developer owns a water right that will more than meet the requirements for this development,  
155 however, they also own additional land which will continue to benefit from the use of water in the  
156 future.

157 An Application for Permanent Change of Water will convert some of their water rights from  
158 an irrigation use to a municipal use. If the request is approved by the State Engineer as presented, the  
159 developer can then deed the water right to the City to satisfy the requirement and keep remaining  
160 rights for their other land. The City’s signature is required on the application because the water use is  
161 being converted to municipal use and moved to our well. If something changes, we will have to come  
162 back with another request.

163  
164 **MOTION:** *James Ahlstrom made a Motion to Authorize the Mayor to Sign the Application*  
165 *for Permanent Change of Water for Blackgate Investments. Mark Preece*  
166 *seconded the Motion which PASSED with a vote of 5-0.*

167 **8. Report on Youth City Council 2018-2019 Term – Youth Mayor Maddie Stokes, Advisor**  
168 **Paul Maloy**

169  
170 Youth Mayor Maddie Stokes reviewed the activities of the 2018-2019 Youth City Council  
171 which included participation in Coats for Kids, 4<sup>th</sup> of July Celebration, Christmas on Onion Street,  
172 Halloween Haunted Hall (which for its first year was quite a success with good attendance and  
173 reviews), and the Easter Egg Scramble. In addition, they adopted a new motto, “Stay Strong” and  
174 designed a new logo.

175 At the annual retreat in Logan last fall, Paul Maloy challenged them to find something they  
176 are passionate about and try something new. They decided to take a stand for suicide awareness and  
177 came up with a program called Pillows & Blankets. Pillows and Blankets is meant as a place where  
178 all young people can relax, de-stress, vent, and feel welcome. This initiative is intended to let the  
179 youth of the City know that the YCC is here for them. They held two events designed to welcome and  
180 support youth of all ages in our community and intend to make it an on-going activity.

181 Additionally, they began using a social media app to communicate within the group between  
182 meetings; out of 18 members, average attendance was about 14.

183 Paul Maloy, completing his first term as advisor, said he was very proud of these kids and  
184 impressed with how much they got done. He has some suggestions to improve communication via  
185 social media and make the YCC more valuable in this upcoming term.

186 Council member Williams added that it was a great group and Paul did a great job teaching  
187 them how to run meetings, create and adopt resolutions, and create initiatives. It was a great year!  
188

189 **9. Consider Resolution 451-19, A Resolution Appointing Michelle Hardman as YCC**  
190 **Advisor.**

191  
192 **MOTION:** *James Bruhn made a Motion to Adopt Resolution 451-19 Appointing Michelle*  
193 *Hardman as a Youth City Council Youth Advisor. Andy Williams seconded the*  
194 *Motion which PASSED.*

195 The vote was recorded as follows:

196 James Ahlstrom – Aye Mark Preece – Aye  
197 James Bruhn – Aye Andy Williams – Aye  
198 Kelly Enquist – Aye  
199

200 **10. Consider Resolution 452-19, A Resolution Adopting Changes to YCC Bylaws.**  
201

202 Paul Maloy and Maddie Stokes explained that the Youth Council felt like there was an issue  
203 with a few of the youth that were not living up to their commitment regarding attendance. They have  
204 proposed some changes to the Bylaws to clarify and simplify the process for removing members due  
205 to lack of attendance. They will also emphasize the importance of attending meetings as they begin  
206 the application interview process for the new term. If there are still problems, they may take another  
207 look in the future.

208 There was discussion about consequences for those not meeting the attendance criteria and  
209 whether the Youth Mayor and Advisor could remove someone from the YCC. Duane Huffman noted  
210 that because they are appointed by the Mayor and City Council they should probably be formally  
211 removed in the same manner. If members do not want to go before city council, they have the option  
212 to resign.  
213

214 **MOTION:** *James Ahlstrom made a Motion to Adopt Resolution 452-19 Adopting Changes*  
215 *to the YCC Bylaws adding language provided by Mr. Doxey that formal*  
216 *dismissal be made by City Council. Andy Williams seconded the Motion which*  
217 *PASSED.*

218 The vote was recorded as follows:

219 James Ahlstrom – Aye Mark Preece – Aye  
220 James Bruhn – Aye Andy Williams – Aye  
221 Kelly Enquist – Aye  
222

223 **11. Consider Ordinance 415-19, An Ordinance Modifying WBMC Title 17 to Comply with**  
224 **Federal and State Law Requiring Necessary and Reasonable Accommodation for**  
225 **Persons with a Disability.**  
226

227 Duane Huffman explained that the proposed Ordinance introduces a re-drafting of the city's  
228 land use code in relation to accommodations for persons with disabilities. He asked a consultant to  
229 provide a review of current language as a proactive effort, not the result of any current or reasonably

230 pending applications. This proposal creates a process for those with disabilities to follow using an  
231 experienced hearing officer, similar to a variance.

232 Planning Commission reviewed several drafts, held a public hearing, and recommended this  
233 ordinance for approval.

234  
235 **MOTION:** *Andy Williams made a Motion to Adopt Ordinance 415-19 Modifying WBMC*  
236 *Title 17 to Comply with Federal and State Law Regarding Accommodations for*  
237 *Persons with Disabilities. Mark Preece seconded the Motion which PASSED.*

238 The vote was recorded as follows:

239 James Ahlstrom – Aye Mark Preece – Aye  
240 James Bruhn – Aye Andy Williams – Aye  
241 Kelly Enquist – Aye  
242

243 **12. Consider Expense Approval for Rehabilitation of Stone Creek Well for \$33,932.**  
244

245 The Stone Creek well is currently out of service. We have a quote from the contractor on site  
246 that performed the initial investigative work and staff believes that competitive bidding in this  
247 case would be counterproductive. Staff believes the proposed rehabilitation will bring the  
248 well back into operation until a new well can be brought on-line.  
249

250 **MOTION:** *James Ahlstrom made a Motion to Approve Rehabilitation of Stone Creek Well*  
251 *for \$33,932. Kelly Enquist seconded the Motion which PASSED. 5-0.*

252 **13. Consider Proclamation Declaring May 10, 2019 as Arbor Day in West Bountiful.**  
253

254 **MOTION:** *James Ahlstrom made a Motion to Declare May 10, 2019 as Arbor Day in*  
255 *West Bountiful. Mark Preece seconded the Motion which PASSED 5-0.*

256 **14. Presentation of Tentative Fiscal Year 2019-2020 Budget.**  
257

258 Duane Huffman provided a summary of the tentative budget and reviewed significant changes  
259 from the previous meeting. Overall, the city's finances are healthy and stable. The FY 2020 tentative  
260 budget is designed to make strategic investments with available funds while retaining the flexibility  
261 to pull back spending when required by fluctuations in future year revenues.  
262

263 Proposed changes include:

- 264 • Budget transfer up to an additional \$800k in FY 19 to the Capital Improvements Fund  
265 to meet the 25% General Fund balance threshold.
- 266 • Repair damaged Chambers dais chairs and tabletops.
- 267 • Stipends for city committees of \$25/person/meeting for Arts Council, EmPAC and  
268 Youth Council advisors. Council member Bruhn clarified that the request from the  
269 Arts council was not for ongoing stipends for group members but flexibility to allow  
270 payment to volunteers like the July 4<sup>th</sup> parade chair. It was recommended to leave it as  
271 is for now and fine-tune it for the final budget.
- 272 • Insurance tele-health for employees; also applies to city council members.
- 273 • Employee Assistance program for employees.

274  
275 With the above changes, the current fund balance is projected to be 24% at the end of FY 19  
276 and FY 20.  
277

278 **15. Consider Tentative Adoption and Setting Public Hearing for Fiscal Year 2019-2020**  
279 **Budget.**

280  
281 **MOTION:** *James Bruhn made a Motion to Tentatively Adopt the Budget for Fiscal Year*  
282 *2019-2020 and Set a Public Hearing. James Ahlstrom seconded the Motion which PASSED.*

283 The vote was recorded as follows:

284 James Ahlstrom – Aye Mark Preece – Aye  
285 James Bruhn – Aye Andy Williams – Aye  
286 Kelly Enquist – Aye  
287

288 **16. Consider Approval of Minutes from the April 16, 2019 City Council Meeting.**

289  
290 **MOTION:** *Andy Williams made a Motion to Approve the Minutes form the April 16, 2019*  
291 *City Council Meeting. Kelly Enquist seconded the Motion which PASSED.*

292 The vote was recorded as follows:

293 James Ahlstrom – Aye Mark Preece – Aye  
294 James Bruhn – Aye Andy Williams – Aye  
295 Kelly Enquist – Aye  
296

297 **17. Public Works/Engineering Report.**

298 Ben White:

- 299
- 300 • Working on a new well on 400 North. A new person at UDOT has been assigned to the  
301 project which has caused some delays, but we expect it to start moving.
  - 302 • We met with Destination Homes regarding the Plum property on the west side. They are  
303 not quite ready to move forward.
  - 304 • Planning commission is still working on updates to the general plan. New housing  
305 requirements imposed by the legislation will be the most difficult. Most other sections  
306 are complete or nearly complete.
  - 307 • Planning Commission is also considering a request to rezone a portion of the Sewer  
308 district property west of Legacy Parkway from A-1 Residential to Light Industrial. As a  
309 government entity they can operate in any zone, but they are leasing some ground to  
310 Canyon Pipeline for staging which is not an allowed use in a residential zone.

311 Steve Maughan:

- 312
- 313 • Jessi's Meadow road construction is underway
  - 314 • Mtn View Estates finished curb/gutter and is pushing hard to get paving done on 1100  
315 W.
  - 316 • The 1100 W trench is scheduled to be paved on May 14.
  - 317 • Twin D is jet washing storm drains.
  - Security lighting is being installed at the Park.

- 318           • The men’s restroom was vandalized the Park. Partition panels and doors will need to be  
319           replaced and graffiti cleaned up.  
320           • Arbor day – Holly will again donate trees to the parks and the golf course.  
321           • Kaeden and Dennis have both now received their Grade 4 Water certification.  
322           • Park is being aerated and top dressed so we can now over-seed.  
323

324           Council member Bruhn commented that he noticed some damage to a small section of the  
325           playground equipment at the Park and suggested we keep extra parts in stock.  
326

327           Duane Huffman:

- 328           • Candidate filing period will be held the first week of June between 8am – 5pm.  
329

330   **18. Mayor/Council Reports.**

331  
332           James Ahlstrom – He will be out of town for the next meeting.  
333

334           Mark Preece – South Davis Sewer district is still working to figure out the algae problem in  
335           their North Salt Lake plant. The food part of the anerobic digester is going well.  
336

337           James Bruhn – Wasatch Integrated’s new transfer station is underway – weather has slowed  
338           them down.  
339

340           Andy Williams – Attended ULCT conference and was very pleased with it.  
341

342           Kelly Enquist – Attended ULCT and thought it was a good conference.  
343

344           Mayor Romney – no report  
345

346  
347   **19. Executive Session for the Purpose of Discussion Items as Allowed Pursuant to**  
348   **UCA 52-4-205(1)(a), (d), (f). A property, personnel, security measures**  
349

350   **MOTION:**   *James Ahlstrom made a Motion to Move into Executive Session in the Police*  
351           *Training Room at 9:35 pm for the purpose of discussing three issues – (1) the*  
352           *character, professional competence, or physical or mental health of an*  
353           *individual, (2) the purchase, exchange, or lease of real property, and (3)*  
354           *deployment of security personnel, devices, or systems. Mark Preece Seconded*  
355           *the Motion which PASSED.*  
356

357           The vote was recorded as follows:

358                   James Ahlstrom – Aye                   Mark Preece – Aye  
359                   James Bruhn – Aye                   Andy Williams – Aye  
360                   Kelly Enquist – Aye  
361
