## Moving Forward on New Public Works Facility

The West Bountiful City Council recently took several significant steps to construct a new public works facility on 1200 North

- Under a construction method known as CM/GC (Construction Manager/General Contractor), the city has selected an architectural firm and general contractor to move forward with the design and construction of the facility. This method allows the general contractor to participate in the design to help control costs.
- The architectural firm is CRSA out of Salt Lake City, and the CM/GC is Gramoll Construction out of North Salt Lake. Some residents may know that Mayor Ken Romney is an employee of Gramoll Construction. With the help of the State of Utah, the city took many precautions to ensure that no one connected to the firms (including the Mayor and the Public Works Director) were involved in the value-based selection process. The City Administrator is happy to talk to any resident with concerns about how contractors were selected.
- The current budget for the project is between \$5-\$6 million. This is significantly below the original estimate of \$7 million from the original master plan. This will fund an 18,000 sq. ft. building to include vehicle/equipment storage, workspace, and minimal office area, as well as other space for road salt and other material storage.
- A Sales Tax Revenue Bond of \$6 million was issued to fund the project. The city's sound financial standing helped the city secure a 1.822% interest rate on the bond, and the city will return any unspent funds to lower the principal balance.

The current schedule is to have the new facility open by late summer 2022.

### **What Is Public Works?**

For West Bountiful City, the public works department oversees many of the services residents use every day, including drinking water, streets maintenance, snow removal, parks, storm drains, and garbage can management.

# Community Highlights

## Arts Council News & Events

| Ella Rodabough      |                          |

*Public Works Facility cont.*

### What Are the Current Facilities and Why Aren't They Good Enough?

To provide these services, the city has the following buildings and land: A 6,000 sq. ft. shop behind city hall on 800 W. that acts as the main location for equipment and employees, and an outdoor yard at the end of Jessi's Meadow Dr. with materials like salt and gravel and various types of equipment. Unfortunately, the current public works shop is much too small to fit the current equipment needed to provide services like fixing water breaks and snow plowing. The current setup of having the equipment, materials, and employees separated also costs time and money. Finally, because it is behind the city hall, the public works shop is very difficult to access during the school year.

### FALL CLEANUP October 16th — 23rd

The city will provide large bins in the north parking lot of the city park for Spring Cleanup again this year. West Bountiful residents will be allowed to dispose of yard waste, scrap metal, and miscellaneous cleanup materials from their primary place of residence. Driver's Licenses will be checked.

## Mark your Calendar

**December 11, 2021, Christmas on Onion St**  
Santa will parade through town and end at the City Park where snacks and games will be waiting.

### NEW Adopted Regulation

ALL new front yard fences will require a building permit. For details go to [www.WBCity.org](http://www.WBCity.org) – Recently Adopted Ord-

*Notes from the Chief*

## Have a gun? Get a lock!

- The West Bountiful Police Department is giving away FREE gun locks!
- Must be a resident of West Bountiful.
- The locks are available at the police department, 550 North 800 West, West Bountiful.
- Office hours are Mon-Thurs 8AM-5PM, Fri 8AM-3PM

Buying a firearm means accepting the responsibility that comes with it. The best approach to prevent firearm-related mishaps is to ensure that firearms are always appropriately locked and stored away in the home.

Utah is an avid outdoorsman state which includes various shooting sports. As fall approaches, for many this means hunting season! The West Bountiful Police Department would like to encourage residents who are gun owners to come in and get a free gun lock for their firearms. Gun locks are an effective tool to secure your firearms during this upcoming hunting season!

Chief Brandon Erikson  
West Bountiful Police Department

The West Bountiful Police Department  
Is committed to excellence in law enforcement

And dedicated to the people, traditions,

And diversity of our city.

In order to protect life and property,

Prevent crime, and improve quality of life,

We will provide service with understanding,

Respond with compassion, and perform with integrity.
