

ALAN MALAN

My wife Charmaine and I have lived in West Bountiful for over 20 years. I desire to keep the City of West Bountiful the quite, quaint city it is. It is truly a hidden gem along in the Davis County/Salt Lake area. I am eager to represent our citizens as a member of the City Council.

It is my desire to serve in a capacity that can make a difference in our community. I have had the great pleasure to serve as both a member and chairperson of the Historic Commission. Currently, I am a Commissioner on the Planning and Zoning Commission and a member of the EMPAC Committee. Hopefully, you can see that I am passionate about public service.

I have faithfully attended City Council meetings for many, many years as a citizen. This gives me the knowledge and understanding of the issues and challenges that our city is facing regarding infrastructure, budgeting, master planning, taxes and many other things that impact our citizen's on a daily basis.

It would be my pleasure to serve as your Councilmember for the next four years. Your vote for me will be greatly appreciated.
