Instructions and Provisions:

A. For and in consideration of the granting of said permission the applicant agrees to the following instructions and provisions of the West Bountiful City Corporation Street Department Ordinance with respect to the performance of work under this permit:

- 1. Prior to any excavation, verify with the Public Works Director...
2. Erect and maintain, about the work site, sufficient guards, signals, barricades and lights to prevent accidents.
3. As soon as reasonably possible, but not to exceed 24 hours, or upon order from the Public Works director...
4. All excavations through asphalt, cement or stone, shall be by the use of proper cutting equipment...
5. Notify the Public Works Director (or his designated agent) at least 4 hours prior to back filling...
6. No excavation is to remain open in any street for a period of more than 10 days, NOR CLOSE ANY STREET OR RESTRICT TRAFFIC WITHOUT PRIOR PERMISSION OF CITY.
7. IN ALL CASES, EXCAVATED MATERIAL WILL BE REMOVED FROM THE JOB SITE, AND NEW MATERIAL BROUGHT IN AND TAMPED UNTIL PROPER COMPACTION IS REACHED.
8. Asphalt restoration shall be done using a lay down machine or leveling box...
9. Guarantee the condition of the restored excavation, and accomplish any and all required maintenance on said restoration work for a period of three (3) years...
10. Hold the City harmless from any and all claims, liability, demands or damages for any and all injury to persons or property arising in any manner out of or by such excavation.
11. Any and all costs incurred by the City in the enforcement of the excavation permit agreement, including engineering review and attorney's fee, shall be the sole responsibility of the contractor.

B. The applicant shall file with the Public Works Department a bond of indemnity to West Bountiful City Corporation. Such bond shall be a Corporate Surety Bond in the sum of \$10,000.00, conditioned as above provided, to cover all excavations made and their maintenance for a period of three years from the date of filing said bond.

C. The applicant shall file with the Public Works Department a certificate of insurance showing the existence of public liability in the amount of \$100,000 naming the City as an additional assured. The same to cover all excavations until said excavations are restored.

D. If any of the provisions of said bonds, this permit, or ordinance of West Bountiful City Corporation is violated, or not observed, the Public Works Director may do all things necessary or proper to repair such street at the expense of the person making the excavation.

I hereby acknowledge that I have read the instructions and provisions of this permit and ordinance of West Bountiful City Corporation and agree to assume all duties and obligations provided therein.
