

**LET'S ALL HAVE A BLAST!
(FIREWORKS RULES & SAFETY)**

Legal Fireworks may only be discharged beginning on July 1 through July 7, and July 21 through July 27 between the hours of 11:00 a.m. and 11:00 p.m. except on July 4, and July 24, when the evening hour is extended to midnight. Please be courteous to your neighbors by obeying these time restrictions.

A type of aerial firework is now legal. Aerial devices known as “multiple tube”, repeater”, or “cake” fireworks often look like miniature professional displays and can travel high into the air, **as much as 150 feet. Please be mindful of your neighbors property and where your fireworks will land.**

Still not allowed are **FIRECRACKERS, M-80, CHERRY BOMBS, BOTTLE ROCKETS, ROMAN CANDLES, SINGLE OR RELOADABLE MORTARS, and GROUND SALUTES.**

You must be at least 16 years old to handle or light fireworks.

Many children are burned each year by sparklers. The tip of a sparkler burns at a temperature of more than 1,200 degrees Fahrenheit which is hot enough to cause 3rd degree burns. Please be cautious and careful with your children so they aren't injured.
