SPRING 2020 | wbcity.org

CITY NEWSLETTER

WB City road construction project on 800 West begins

Work has already started on a very large project to replace the water line and rebuild the street on 800 West from 400 North to Pages Lane. Here is a brief summary of the work, schedule and the impacts residents can expect.

The Work

- Replace 4,550 feet of 69-year-old cast iron water line. This will significantly improve issues residents have had with rusty water and water line breaks.
- Install curb, gutter, and sidewalk where it is currently missing. This will complete sidewalk on both sides of the road from 400 N to Pages Lane.
- Replace undersized storm drain lines from 400 N to 1000 N, and install more storm drain boxes from 1000 N to Pages Lane. This will significantly help move storm water and keep large puddles off of 800 W.
- Complete rebuild of 800 W.

ROAD Continued on Page 3

Building Complete

Our new concessions building at city park is finished! We now have a nice snack shack for the baseball fields as well as new bathrooms available to all patrons of the park.

Weed Abatement

We love the beautiful spring and summer weather we have in West Bountiful, but with it comes something we don't love - WEEDS. Please keep the weeds in your yard maintained, and if you own a vacant lot please check your property often to make sure they do not become a problem. For more information, check out West Bountiful's Nuisance Ordinance, Section 8.12 in the Municipal Code on the city website. If properties fall into violation and are not addressed after being noticed, fines of \$100 per day may be assessed.

FEMA Flood Maps Available to Review

FEMA

The Federal Emergency Management Agency (FEMA) has the responsibility of assisting individuals and communities in the event of natural disaster. Besides assisting in the aftermath of such disasters, FEMA also has the responsibility to evaluate flooding potentials. The flood potential from natural drainages is shown on Flood Insurance Rate Maps (FIRM) for the more developed areas across the United States, including our community. The FIRM maps are available for review at WB City Hall and at any Davis County Library. Anyone interested in reviewing the FIRM maps can contact the city.

2020 SPRING CLEAN-UP

Saturday, MAR. 21 - Saturday, MAR. 28

Mon-Fri: 11 am-7 pm | Sat: 8 am until bins are full | Sun: NO DUMPING ALLOWED

The city will provide large bins in the north parking lot of the city park (off 1890 N) for Fall Clean-up again this year. West Bountiful residents will be allowed to dispose of yard waste, scrap metal, and miscellaneous clean-up materials from their primary place of residence. Driver's Licenses will be checked.

BINS WILL BE BARRICADED AFTER HOURS. Please do not leave trash at barricades.

NOT ACCEPTED:

Lead Products	Radioactive materials
Commercial Waste	Wood larger than 2x2x6'
Animal Remains	Chemical Material
Barbed Wire	Appliances with Freon
Tires, TVs, Paint	Hazardous Waste (of any kind)*
Explosives	Green Waste**

*Please take Hazardous Waste to Wasatch Energy Recovery Facility in Layton.

**Please take Green Waste to Bountiful Landfill. It is accepted there year round--but the city will cover the cost during our clean-up period.

HOLIDAYS (city offices closed)

May 25 – Memorial Day

CITY EVENTS

Mar. 21-28 – Spring Clean-Up
Apr. 6 – Secondary water begins to turn on
Apr. 11 – Easter Egg Scramble, 9 am, WB City Park
Apr. 25 – Arbor Day/“Just Serve” Clean-up Day

Arbor Day with “Just Serve”

Arbor Day will be combined with “Just Serve” Clean-up day on Saturday, April 25 at City Park. Go to www.JustServe.org to see how you can volunteer to plant trees and other service projects at the park.

Secondary Water

Secondary water will begin to turn on April 6, 2020

The irrigation water will be turned on beginning Monday, April 6 but will take approximately 3 days to reach all homeowners. Each property owner should turn their own secondary valve off prior to April 1 to avoid potential flooding problems.

**ABSOLUTELY
NO WATERING
BETWEEN 10 AM
AND 6 PM. WATER
CAN BE SHUT-OFF
FOR NON-
COMPLIANCE.**

Seasonal Help Wanted

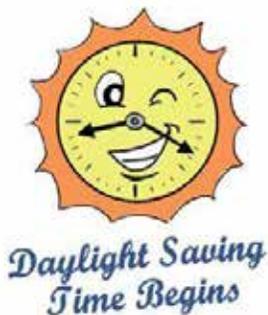

We will be looking for seasonal workers this Spring and Summer. At Lakeside Golf Course, we will be hiring part-time maintenance workers, range attendants, and Pro shop starters. We will also be in need of city parks assistants. Check out our website: www.WBCity.org for more info.

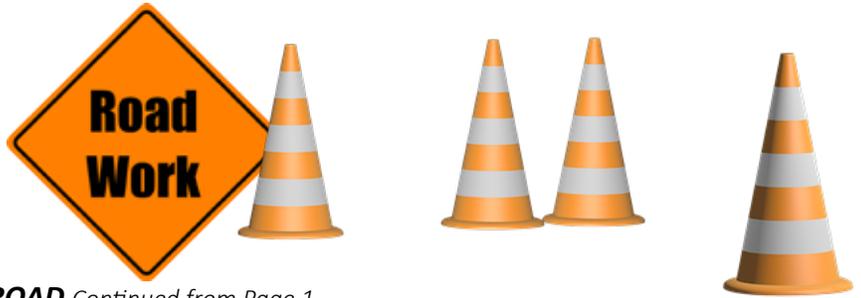

Sidewalks and Park Strips

Please do your part in making our community great!

- Keep sidewalk clear, removing any overhanging tree branches below 8 feet high.
- Report any broken or dangerous sidewalks to the city office at 801-292-4486.
- Keep park strips mowed or landscaped - this is the area between the sidewalk and the curb.
- Only plant trees on the approved Official Tree Planting List in the park strips.

Daylight Savings Time begins Sunday, March 8

ROAD Continued from Page 1

After the installation of the water lines and storm drain lines, it will be necessary to rebuild the road. This will improve vibrations residents currently experience when large vehicles drive on 800 W, and we will have a solid road that will last for generations.

The Schedule

- Contractors were ready to immediately begin when the project was awarded in February.
- Contractors have begun working on concrete portions of the project such as sidewalk ramps and curb/gutter.
- Contractors have begun installing water lines on 800 W near Pages Lane and will continue south.
- Contractors will try to limit work in front of the elementary school until classes are dismissed for the summer.
- 800 W in front of the elementary school should be rebuilt and paved when school begins in August.
- All work is scheduled to be completed by mid-October.

The Impacts

- All residents are asked to detour around 800 W whenever possible to limit traffic and dust in the construction zone. There will be times when there are hard closures on 800 W.
- There will be times when sidewalks are closed along the project.
- The city will coordinate with UTA regarding bus routes and stops along the project.
- Residents along 800 W are asked to bring in their garbage cans as quickly as possible after pick-ups each week.
- The city will coordinate with property owners along 800 W to tie in the new road with new or existing driveway entrances.
- The city and contractors will coordinate access with residents that live along 800 W and adjoining cul-de-sacs.
- Residents along 800 W will have new water meters installed. These residents should make sure they have expansion tanks attached to their water heaters (contact the city for more information).
- The annual 4th of July parade will be re-routed off of 800 W this year. It will instead begin at the intersection of 1100 W and Pages.

Residents that live along the project are asked to provide an e-mail address so that the city can communicate regular updates and special announcements. Please call the city offices at 801-292-4486 or send an email to info@wbcity.org to make sure your contact information is on the list.

West Bountiful City appreciates everyone's support and patience as we work together on this very large project.

Carter to sing classics

FRI., MARCH 13 @ 7 PM | City Hall

When we invited Susie to center stage for our March 13, 2nd Friday Concert, she responded excitedly in her quiet Susie Carter way, “Can I sing my favorite love songs, those I hardly ever get to sing like *I Left My Heart in San Francisco* and *Somewhere Over the Rainbow*?” Who would ever deny Susie that request? So concert goers can count on being treated to a plethora of Susie’s familiar classic songs.

Join us for a relaxing night out with our special West Bountiful community of friends at city hall, Friday March 13 at 7:00 pm.

Rockees in Concert

FRI., APR. 10 @ 7 PM | City Hall

Come out to support a local teen band, the Rockees, a Classic Rock/80s Rock Band. Their name is a tribute to their local roots and a connection to The Monkees, that famous TV copy of The Beatles. Last year, the Rockees beat out groups from 10 other schools to win the state’s 2019 PTA “Battle of the Bands.” For more info on the band, find them on Instagram @the_rockees. This is a night you won’t want to miss!

See flyer on page 5

PTA and Arts Council to team up again for Concert and Art Night at new West Bountiful Elementary

FRI., MAY 8 @ 6 PM | New West Bountiful Elementary

Last year West Bountiful Elementary PTA and the West Bountiful City Arts Council combined annual events: Art Night and the Young Artist Concert. The night aimed to create a community event in celebration of the arts by combining events that showcase youth who are talented in an array of artistic ways. At the event, the school halls were filled with paintings and drawings, sculptures and carvings, photography and writings, and other expressions of creativity. The students of West Bountiful Elementary created works of “Art,” things they love, a way to express themselves artistically, and they handed it into the PTA to be a part of a silent auction. Hundreds of entries were showcased throughout the school. Teachers put up art projects that showed what their classes had been creating. The school was covered in art to enjoy and even take home if you were the winning bid! The annual Young Artists Concert showcased youth in the city and their musical talents. Music included several solo performances in voice, percussion and other instruments. A group of Bountiful Jr High Madrigals performed, including many from West Bountiful. The Dear Edwina Jr. Cast from the school play performed their closing song. The West Bountiful Arts Council matched 50 percent of what the school earned for the evening.

The Art Night was established to showcase students’ artistic creativity and to earn money for arts at the school. Because of the push for more art at the school, West Bountiful Elementary funded an art program this year that highlights seven different artists, such as Picasso, DaVinci and Monet. The students learn about the artist’s life, their art, and the techniques each artist used in their creations. Then the students practice those techniques. They finish off each artist profile with an art project that uses those techniques and highlights a famous painting from each artist. Each month these student art projects are displayed in the halls at the school, and viewers can see how each student used their own vision and creativity to make it. The PTA has used the arts council donations to purchase all of the art supplies for over 650 students for each project. This has been such a success and has exposed the students to a greater art education. The PTA is grateful to the arts council for their support of the arts program and for their partnership in this artistic evening. We look forward to another Art Night this May, after we are moved into our new school. Please join us for this evening of artistic expression from the youth in West Bountiful on May 8, 2020. The Art Night will begin at 6 pm with an art auction, class displays of art projects, hands on art projects to make, and a bake sale. The Arts Council Young Artists Concert featuring a few specially selected, talented young musicians will be in the school multipurpose room from 7-8 pm. See the flyer on page 5 for more info. We look forward to seeing you!

EASTER EGG SCRAMBLE

April 11 9 AM

West Bountiful City Park

Youth Council will host the annual Easter Egg Scramble on Saturday, April 11, 2020 at 9 am sharp at West Bountiful City Park near the central pavilion.

There will be 3 areas for the following ages: 1-3, 4-6, 7-11
There will also be Picture Time with the Easter Bunny from 9:15 to 9:45 on the stage of the Pavilion.

Tickets in School Office!

Census participation impacts communities at a local level

Do you ever ask yourself, what can I do to make a difference in my community? This year, the answer is easy. You can make a difference by participating in the 2020 Census. That's because the census informs how billions of dollars are allocated every year for local school programs, emergency services, roads, affordable housing, and hundreds of other critical services and programs that make a difference in our lives every day. It only takes a few minutes, but the impact will be felt for years. When you receive an invitation from the U.S. Census Bureau in mid-March, complete the simple questionnaire online, by phone, or by mail. The census only occurs once every ten years, so don't miss out on your chance to make a difference and shape your future. Taking the 2020 Census is a win-win for West Bountiful, Davis County and all of Utah! For more information: www.2020CENSUS.GOV

Frauds, Scams, and Identity Thefts: How to Protect Yourself

Frauds, scams and identity thefts are becoming a daily occurrence across the nation, increasing in sophistication and creativity. These crimes are committed over the phone, email, mail, and social media, and victims come from all walks of life.

How do we recognize threats and avoid becoming victims? The following are some easy steps that will help you to identify, avoid, and prevent these crimes from happening to you and your family.

1. When selling items online:

- a. Be cautious of what personal information you provide to potential buyers.
- b. Avoid accepting checks written for more than the agreed value.
- c. Attempt to make exchanges in public places, or with others around.
- d. Avoid accepting checks, money transfers, gift cards and other items used for financial payment that you cannot immediately determine are valid.

2. Over the phone:

- a. Never provide personal information to anyone calling from an unknown number or one you do not recognize.
- b. If you receive a call from an institution (like a bank or insurance company) requesting personal or financial information, resolve the issue by calling back at a known number for the institution.

3. If any situation seems unbelievable or suspicious do not provide any personal or financial information until you can confirm the legitimacy of the situation. When in doubt contact the police.
4. Do not click on links found within emails that claim there are issues with an account. Some scams appear official and use the company logo and information to appear real. Instead, visit a known website to address the issue or make contact the institute over the phone to confirm.

In general, if things appear to be too good to be true or they appear to be suspicious, there is a good likelihood that something is wrong. Remember that frauds, scams, and identity theft are attempted frequently and can affect anyone. If you believe you are a victim or that someone has attempted to victimize you with one of these crimes contact the police immediately.
