City Road Work and Closures

West Bountiful City has several road construction projects happening this summer.

- 1) 1100 W from the Mill Creek canal to 500 South will have curb and sidewalk added to the east side of the road, and the road will be widened to accommodate the new improvements. This is a joint project with Holly Frontier and is expected to be completed in June.
- 2) Pages Lane from 800 W to 1100 W will be resurfaced and widened with bike lanes and will have portions of new curb and sidewalk. Sidewalk and bike lanes will then be complete from the West Bountiful City Park to 1100 West. This project will begin in June and is being funded primarily through grants from the Utah Department of Transportation.
- 3) 640 West will be widened and have new curb and sidewalk added on both sides of the road at our border with Centerville. Sidewalk will then extend from Porter Lane to Parrish Lane. This project is being funded by grants from Davis County and Utah Transit Authority. **EXPECT A FULL ROAD CLOSURE JUNE 4-10.**

Housing Development News

Several new housing developments are coming to the city:

- 1) Meadows at McKean Manor (14 lots) – 800 W at 1100 N
- 2) Kinross Estates (34 lots) – Porter Ln at 1100 W - Hamlet Homes
- 3) High Gate Estates (24 lots) – 1100 W at approximately 100 South

The following additional developments are under review:

- 1) Mountain View Estates – 1100 W 1900 N
- 2) Grover Property – 1811 N 800 W

Summer Reminders

- Watch for kids playing in the streets and riding bikes – drive slowly.
- Remove empty garbage cans from the street as soon as possible after being emptied.
- No watering between the hours of 10 am and 6 pm.
- As you groom and maintain your yard, please remember vegetation should be trimmed behind the curb line and 15 feet above the curb. Compliance will make streets safer for pedestrians and motorists and allow the garbage trucks and snow plows to move around more easily.
- Don't leave children and/or pets in unattended vehicles.

Water Quality Report

West Bountiful is pleased to report that our drinking water is safe and meets all state and federal water regulations. To review the full Water Quality Report go to our website, www.WBCity.org/Community or pick one up at city hall.

Backflow Class

Required annual testing of all back-flow assemblies is coming up! Back-flow protection is required on home sprinkler irrigation systems that use city water and do not have atmospheric vacuum breaker (AVB) sprinkler valves. More information is available at our annual **back-flow class on Wednesday, June 20 from 7-8 pm** at city hall. Back-flow test reports are due back the City by August 30, 2018.

Garage Sale Signs

All garage sale signs must be removed immediately after the sale and must be placed only on private property. It is unlawful to attach such signs to utility poles, stop signs or any other public property. Signs placed unlawfully will be removed. Thank you for your cooperation.

Free Day at Rec Center

Each year, our West Bountiful residents get to enjoy a free day at the South Davis Recreation Center. This year it falls on **Saturday, June 16**. Both indoor and outdoor pools will be available. Proof of address will be required. This free event is available to West Bountiful residents the 3rd Saturday in June every year. A movie, *Jumanji*, will be shown at the Rec Center that evening.

Sewer District Raises Rates

The South Davis Sewer District recently raised its rates for service. The new \$10/month rate will continue to be due bi-annually (January and June) and can be paid with an ACH Direct Payment automatically withdrawn from a customer's checking acct, or through a bank's online bill payment system; they do not accept debit or credit cards. For more information, go to www.sdsd.us.

Irrigation Tips

Even with a wet Spring, it is important to conserve our water as we move on to hot summer months. Here are some tips:

- 1) Respond to your lawn's need, not your habit! Your lawn will adapt easily to a 3 day watering pattern, and make sure you turn off your sprinklers when it's forecast to rain.
- 2) Don't water everything the same. Water the lawn separately from plant beds and trees because these areas need less water than the lawn.

- 3) Water by the Light of the Moon. Watering at night alone will reduce evaporation loss by up to 20%.

Weber Basin will rebate up to 50% of the cost of a smart controller which will save you money and reduce excess irrigation. They also offer great conservation classes. Go to www.WeberBasin.com for more info.

To see how efficient your irrigation system is, pick up a free set of 12 catch cups and irrigation system audit instructions from Bountiful Irrigation District.

REMEMBER – No outside watering between 10am – 6pm!

Door to Door Sales

Solicitors tend to go door to door selling products and services more when the weather is good. All solicitor's licensed in West Bountiful are required to display a photo ID or produce it when requested. If they are rude or disorderly, or if at any time you feel threatened, please ask them to leave and contact the West Bountiful Police department (801-298-6000) immediately. If you do not want solicitors, place a "No Solicitation" sign at your front door.

Animal Ordinances

Please ensure that your animals are on a leash any time they leave your fenced yard or home. This is especially important in areas where people gather or tend to walk. **Dogs, on a leash, are permitted on the Prospector Rail Trail and the Onion Parkway trail but are NOT permitted at our city parks.** If you encounter a problem with animals in our city, please contact the West Bountiful Police Department at 801-298-6000.

2018 Young Artist Concert Review

To say that the May Arts Council Young Artist Concert was a success is really quite an understatement. The concert, narrated by council member Tiffany Allen, in her usual enthusiastic style, began with six year old Nixon Clark on the cello and progressed in age (up to 15 years old) and expertise with performances by Kendyl Clark, piano; Brooklyn Clark, piano; Matthew Newsom, clarinet; Camryn Clark, violin; Brooklyn and Camryn, piano/violin duet; Rachel Fletcher, vocal solo; Ana Clayton, cello; and Zachary Wirthlin, piano. The two culminating virtuoso violin performances by Aryanna Holmes and Taya Tippetts truly astonished and amazed us. We applaud these young performers for their dedication and commitment.

Council Chambers Showcasing Artist

The art of Jean Vander-Toolen will be featured in the council chambers at city hall in the coming months.

"I have always loved art," said Jean Vander-Toolen, a life-long Davis County resident, who grew up in the Bountiful Val Verda area. As a child in elementary school, she would draw whenever she got the chance. She experimented with acrylic paint in junior high, worked with watercolor in high school, and began painting with oils in college.

"Once I began to use oil and watercolor, I fell in love with painting," she said.

Jean and her husband Bruce moved to West Bountiful when their boys were small. Once her four boys were all in school, she went back to the University of Utah and earned her BFA with a teaching emphasis. She student taught at Bountiful High when her boys were

students there. After graduation, she was hired at Highland High School where she has taught since then.

Jean has painted portraits of her children and grandchildren. The majority of the paintings on display have been painted in the last three years. The watercolor and monoprint of the cabins, were all done recently.

"Two started as examples for my Art classes,"

she said. She uses a variety of mediums: watercolor, oil, printmaking, and was recently introduced to encaustics. Two of the art works, one of a bird and one with the bee poem, were done with layers of color, images and wax.

"I love my job and will continue to teach for a few more years," she said.

"When I retire, I hope to spend more time in Southern Utah, where I love to paint, but West Bountiful will always be my home."

Farewell to Paul Maloy

The arts council bids farewell to Paul Maloy who served on the council for the past four years. Thanks Paul for your enthusiastic and creative work with us. We will miss you but congratulate you on your new assignment with the Youth Council and look forward to continuing our work with you and the youth in our efforts to foster the arts in our community.

June, July, August: Remember no concert will be held in June and August at city hall, but join us at the park on Tuesday, July 3 for the Endless Summer Concert, great food and fireworks. Then join us for the 4th of July parade and activities at the park; also with lots of great food.

The Free Little Library

West Bountiful now has its own library!! Brandon George placed a “free little library” at West Bountiful City Park as part of his Eagle Scout project. The book sharing box, located by the log cabin, is stocked with books of all types which can be removed and replaced with another book. Thanks Brandon!

Summerfest '18 International Art and Folk Festival

The annual International Art & Folk Festival will be held August 10-11 at Bountiful City Park. Hosted by the Bountiful Davis Art Center, this free community event is the only cultural festival in the Rocky Mtn area celebrating art, dance, music and culture from around the world. You can also help by hosting some performers who need a place to stay during the event by calling 801-295-3618.

CERT News: 2018 Shake-Out Drill

Thank you to all those who participated in the annual Earthquake Shake Out drill! We are always in need of more trained CERT people. If you are interested in becoming trained, new classes will be offered on Tuesday and Thursday evenings beginning in September. Call Renate Allen at 801-694-0745 or check out the next Newsletter for more information.

Are you interested in preparedness seminars in West Bountiful? Send your contact info to WBCERTCommand@certwb.com to be added to the list for seminars and CERT activities and we will get you on the correct email list. Also, don't forget to follow the West Bountiful CERT, West Bountiful City, and West Bountiful Police Facebook and Twitter pages to get updates of events.

Come visit with us at the West Bountiful Safety Fair on July 3 and after the Parade at the Park. You can also take a look at the CERT trailers.

Davis County Election Information

Davis County is holding an election for State Senators, State Representatives, School Board, and County Officials. The primary election will be held on June 26 and the general election on November 6. Mail-in ballots or in-person voting at city hall is available. Go to www.vote.utah.gov for more information.

Weed Abatement

We love the beautiful spring and summer weather we have in West Bountiful, but with it comes something we don't love - WEEDS. Section 8.12.020 of the West Bountiful Nuisance Ordinance declares the following to be nuisances:

- "Noxious Weeds." Noxious weeds located on vacant lots or other property, along public sidewalks or the outer edge of any public street, or weeds in any other location which constitute a fire hazard.
- "Vegetation." Dead, decayed, diseased, or hazardous tree, weeds, hedges, and overgrown or uncultivated vegetation which is in a hazardous condition, is an obstruction to pedestrian or vehicular traffic, or which is likely to harbor rats, vermin or other pests.

Please keep the weeds in your yard maintained, and if you own a vacant lot please check your property often to make sure they do not become a problem. If properties fall into violation and are not addressed after notice is given, fines of up to \$100/day may be assessed.

Resident Recognized for His Photography Display

The West Bountiful Arts Council has arranged for local artists to display their art in the council chambers at city hall for the past couple of years. The most recent, Jim Child, was recognized by city council for his beautiful photography display. Thanks for sharing with us, Jim!

FIREWORK RULES & SAFETY

Legal Fireworks may only be discharged beginning on July 2 through July 5, and July 22 through July 25 between the hours of 11 a.m. and 11 p.m. except on July 4, and July 24, when the evening hour is extended to midnight. Please be courteous to your neighbors by obeying these time restrictions.

A type of aerial firework is now legal. Aerial devices known as "multiple tube", "repeater", or "cake" fireworks often look like miniature professional displays and can travel high into the air, *as much as 150 feet. Please be mindful of your neighbor's property and where your fireworks will land.*

Still not allowed are **FIRECRACKERS, M-80, CHERRY BOMBS, BOTTLE ROCKETS, ROMAN CANDLES, SINGLE OR RELOADABLE MORTARS, and GROUND SALUTES.**

You must be at least 16 years old to handle or light fireworks.

Many children are burned each year by sparklers. The tip of a sparkler burns at a temperature of more than 1,200 degrees Fahrenheit which is hot enough to cause third degree burns. Please be cautious and careful with your children so they aren't injured.
