July 24 - Pioneer Day
(city offices closed July 4 & 24)

Water Quality

West Bountiful is pleased to report that our drinking water is safe and meets all state and federal water regulations. To review the full Water Quality Report go to our website, www.WBCity.org/Community or pick one up at city hall.

Yard Sale Signs

All yard sale signs must be removed immediately after the sale and must be placed only on private property. It is unlawful to attach such signs to utility poles, stop signs or any other public property. Signs placed unlawfully will be removed. Thank you for your cooperation.

Sidewalks and Park Strips

Please do your part in making our community great!

- Keep sidewalk clear, removing any overhanging tree branches below 8 feet high.
- Report any broken or dangerous sidewalks to the city office at 801-292-4486.
- Keep park strips mowed or landscaped – this is the area between the sidewalk and the curb.
- Only plant trees on the approved Official Tree Planting List in the park strips.

Weed Abatement

Our extremely wet spring has resulted in more weeds than normal this year. West Bountiful's Nuisance Ordinance (Section 8.12.020) declares the following to be nuisances: "Noxious Weeds" are weeds located on vacant lots or other property, along public sidewalks or the outer edge of any public street, or weeds in any other location which constitute a fire hazard. "Vegetation" is dead, decayed, diseased, or hazardous trees, weeds, hedges, and overgrown or uncultivated vegetation which is in a hazardous condition, is an obstruction to pedestrian or vehicular traffic, or which is likely to harbor rats, vermin or other pests.

Please keep the weeds in your yard maintained, and if you own a vacant lot please check your property often to make sure they do not become a problem. If properties fall into violation and are not addressed after notice is given, fines of up to \$100/day may be assessed.

CITY EVENTS

Jun. 16 - Murphy/Callister Travelogue @ 7 pm (city hall)
Jul. 3 - Safety Fair @ 6 pm, Fireworks @ 10 pm (city park)
Jul. 4 - Flag Raising @ 7:30 am (city hall), Parade @ 10:30 am, Park Events @ 11:30 am (city park)

Let's All Have A Blast!

FIREWORKS RULES & SAFETY

Legal Fireworks may only be discharged July 1 through July 7 and July 21 through July 27 between 11 a.m. and 11 p.m. except on July 4 and July 24, when the evening hour is extended to midnight. Please be courteous to your neighbors by obeying these time restrictions.

Aerial fireworks are legal. Aerial devices known as "multiple tube", repeater", or "cake" fireworks often look like miniature professional displays and can travel high into the air, as much as 150 feet. Please be mindful of your neighbor's property and where your fireworks will land.

Still not allowed are FIRECRACKERS, M-80, CHERRY BOMBS, BOTTLE ROCKETS, ROMAN CANDLES, SINGLE OR RELOADABLE MORTARS, and GROUND SALUTES.

You must be at least 16 years old to handle or light fireworks.

Many children are burned each year by sparklers. The tip of a sparkler burns at a temperature of more than 1,200 degrees Fahrenheit which is hot enough to cause 3rd degree burns. Please be cautious and careful with your children so they aren't injured.

What's Going On??

The city's goal is to make sure residents and visitors have access to the most current information possible. Please check the website www.WBCity.org, Facebook page www.facebook.com/WestBountifulCity, or Twitter page @westbountiful frequently to stay on top of current happenings in the city.

Mosquito Abatement Myth & Fact

Mosquito Abatement District-Davis (MAD-D) has protected Davis County from mosquitoes since 1951 and fogging for adult mosquitoes only comprises a quarter of MAD-D's work. A majority of MAD-D's work takes place in scattered fields and wetlands, treating mosquito larvae before they fly as adults. If you have questions, call 801-544-3736, or visit our website at www.davismosquito.org.

There is a misunderstanding spread in social media that in order for Mosquito Abatement to come fog your neighborhood, there must be a bunch of calls. This is not correct. One call is treated the same as 30. By having 30-50 calls instead of 2-3 calls, employees end up doing much more paperwork in the system and less time out spraying.

Currently a high number of Chironomids (non-biting flies) are in the area. They look like mosquitoes and will swarm doors, sides of your home, and out in open areas. The spray used for mosquitoes through the neighborhood is not effective on these insects.

In Davis County, 15 mosquito species exist, 10 of which we see on a regular basis through the summer. Only 2 of these species transmit the West Nile Virus (WNV). Not all mosquitoes will carry disease and not all mosquitoes capable of transmitting the disease will be infected. Only a small percentage of the mosquitoes will be infected but precautions to avoid mosquito bites need to take place. Mosquitos breed in rain gutters, garbage cans, discarded tires, ornamental pools, yard junk, etc. Prevent standing water from becoming a breeding place.

Avoid mosquito bites by staying indoors at dawn and dusk. Wear long pants, a long-sleeved shirt, and use a mosquito repellent with the active ingredients of DEET or Picaridin. Heavy DEET concentrations are not more effective than lower concentration they just last longer. Adjust your repellent to the exposure time. 2-12 year olds should use a 10% DEET solution (avoiding their mouths, eyes, and hands).

Contact Mosquito Abatement District-Davis for products that can be used in water sources around your home. Stock your ornamental pool with mosquitofish. Call Mosquito Abatement District-Davis at 801-544-3736 and ask for this free yearly service. Examine these places both after rain and after watering. Remember, mosquitoes are tirelessly persistent. If there is standing water somewhere on your property, they will likely find it.

Animals on leash

Please ensure that your animals are on a leash any time they leave your fenced yard or home. This is especially important in areas where people gather or tend to walk. Dogs, on a leash, are permitted on the Prospector Rail Trail, the Onion Parkway trail and West Bountiful City Park. It is also critical that animal waste be picked up immediately. If you encounter a problem with animals in our city, please contact the WB Police Department at 801-298-6000.

When Do I Need a Building Permit?

- Any modification to your home's plumbing, mechanical, and/or electrical systems.
- Any modification to your home's structural
- Any accessory structure bigger than 200 square feet, like a shed or carport.

We love questions! Call the city offices at 801-292-4486 if you ever have questions about building permits.

Are you proud of your beautiful landscaping or have a neighbor whose tireless effort makes their property shine? The city is partnering with our local Lowe's to recognize the hard work that makes West Bountiful look great by awarding \$50 gift cards throughout the spring and summer to well-kept properties. Nominate someone today by sending their address and a picture to Recorder@wbcity.org. Prizes will be awarded the end of May, June, July, and August.

Storm Water

Any water that enters the storm drain system — including water that carries sediment, oil, grease, and other pollutants — discharges into our creeks and eventually enters the Great Salt Lake. Improperly managed stormwater runoff is a leading cause of flooding which can lead to property damage, cause road hazards, and clog catch basins and culverts. Typically, the only thing that can be discharged into our storm water system is rainwater. There are a few legal exceptions, such as washing your car in your own driveway.

If you see someone dumping material into the gutter or down the storm drain catch basin, report it to the city offices at 801-292-4486 or to the 24-hr dispatch line at 801-298-6000.

Code Red Notification

Similar to Reverse 911, Code Red is an emergency notification service that sends emergency messages via telephone or email to geographically targeted areas. We encourage residents to sign up with home, business and mobile phones to be contacted in the event of an emergency. Registration is free, confidential, and easy. Instructions are on the city website.

Door to Door Sales

All solicitor's licensed in West Bountiful are required to display a photo ID or produce it when requested. If they are rude or disorderly, or if at any time you feel threatened, please ask them to leave and contact the West Bountiful Police department (801-298-6000).

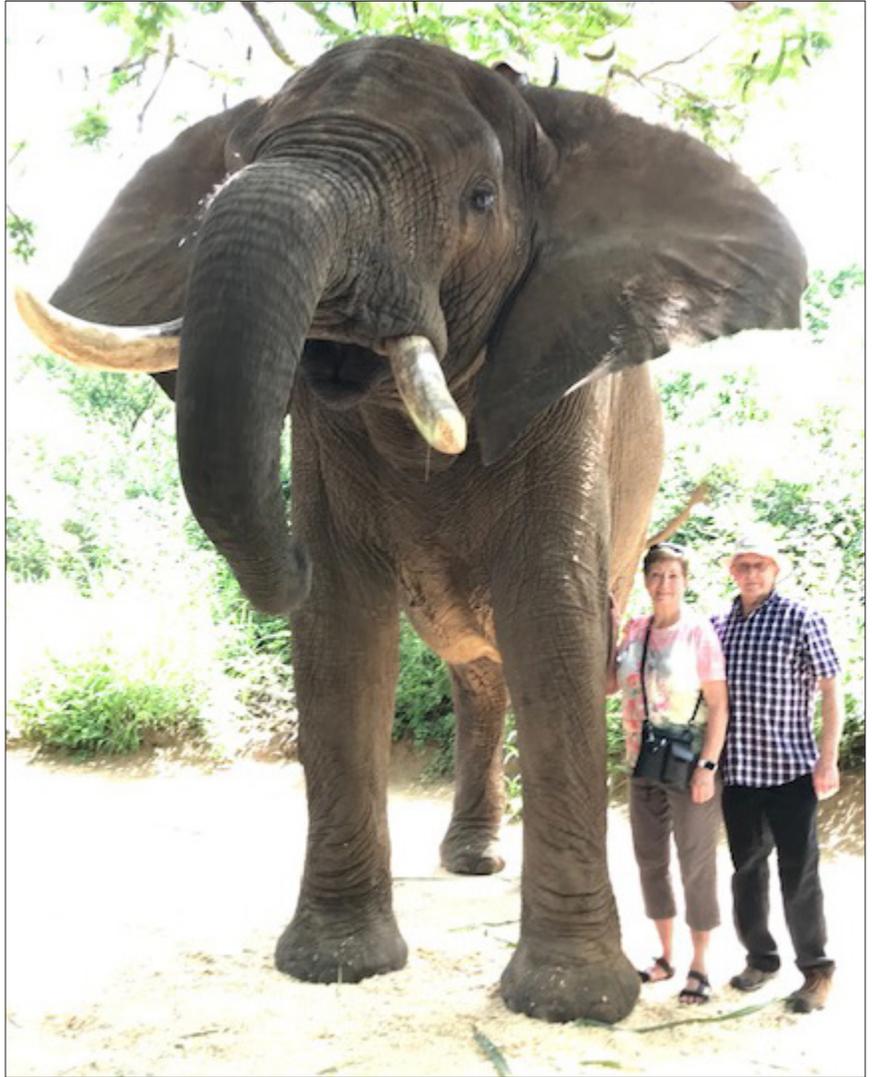

Murphy & Callister Families to share Travelogue Adventures Around the World

FRI., JUNE 14 @ 7 PM | CITY HALL | Free

Spend a relaxing evening, just an hour or so, traveling the world through the eyes of Ron and Shelly Murphy and Ken and Dorothy Callister; at 7 pm at city hall. "Iceland, China, Russia, Holland, and more," said Shelly, "We have been blessed to travel quite a bit the past few years. How do we do it? We will share with you how we managed it for not as many \$\$'s as you would think. And of course, we have pictures to share."

As for the Callister's, they will share pictures and stories of a recent African Safari; seeing elephants and more. But you won't want to miss hearing about their encounter with a rhino.

You'll want to come a little early to see Sherrie Meidell's amazing artwork on display in the council chambers.

Ron and Shelly Murphy (left) and Dorothy and Ken Callister (right) will speak of their experiences traveling the world at the Arts Council event June 14.

Clown College

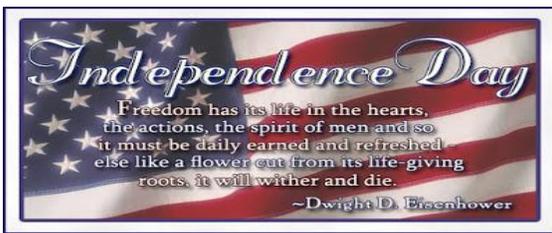

This year in conjunction with the 4th of July Celebration, we will be offering a Clown College where instructors will teach basic clowning: clown history, types of clown, explore costume ideas, character/improv exercises, parade gags, and basic ballooning. "Kids" 10 to adult can attend and will be able to walk the parade and then make balloon creations for tips at the park after the parade. Training will be held at city hall and includes 2 classes (June 20 & June 27 from 7 - 8pm) for \$20/person. Please register at city hall or by email to Recorder@wbcity.org by June 13.

"Endless Summer" Concert, Food, Fireworks, Parade, and Fun at the Park

As always in July, we invite you to join us July 3 for an evening at the West Bountiful City Park for our "Endless Summer" Concert, food trucks and enlarged fireworks display. The next day participate with us as we celebrate the 4th of July at the parade, new games, and more food, also at the park. See you then!

South Davis Rec Center **FREE DAY** for Residents

Each year, West Bountiful residents get to enjoy a free day at the South Davis Recreation Center. This year it falls on Saturday, June 15. Both indoor and outdoor pools will be available. Proof of address will be required. This free event is available to West Bountiful residents the 3rd Saturday in June every year.

Youth City Council

The 2019-2020 term of the YCC begins in June. Plans for Independence Day activities and several great service projects are underway. If you have a child going into 7th - 12th grades that wants to serve the community and learn more about government, submit an application now.

We'd like to thank the outgoing YCC Leadership, especially Youth Mayor Mad-die Stokes and advisor Paul Maloy for a great year!

SkyPark Aviation Festival

The SkyPark Aviation Festival and Expo will be on June 7 and 8 this year at the SkyPark Airport, 1887 South 1800 West in Woods Cross. There will be a lot of fun activities for everyone plus numerous food trucks both days. The event is free. For more info go to: www.skyparkutah.com

SOUTH DAVIS Recreation District

Family Fitness and Movie Night

Join us for our FREE Family Fitness and Saturday Family Movie Night! We will be having a fun time getting fit as a family and then stay for a family friendly movie, all for FREE!! Concessions will be selling popcorn, nachos, and drinks.

8:30 PM: Come join our fitness team and get involved in some fun games and activities before the show.

Dusk (about 9 pm):

JUNE 15

Ralph Breaks the Internet

JULY 6

Spider-man into the Spider-verse

AUGUST 10

Mary Poppins Returns

Conservation for Rebates

Mother Nature has given us lots of water this year but that doesn't mean we should go back to bad habits regarding conserving this vital resource. Water conservation is one of the most efficient ways to ensure we have enough water for our growing population. Weber Basin Water provides rebates for various products that help save water. A smart controller is an irrigation timer that connects via wi-fi to local weather stations and automatically adjusts the irrigation schedule without a homeowner having to remember. A smart controller can be purchased at home improvement stores and Weber Basin will rebate you half the price of the controller up to \$150.

Another conservation opportunity is to replace toilets that were installed before 1994 and are 1.6 gallons per flush or less with newer low-flow models. Doing so can result in rebates of \$75. For more info, go to www.WeberBasin.com.

REMEMBER - No outside watering between 10am - 6pm!

PLASTICS 101

PLASTIC BOTTLES AND JUGS ONLY!

IF IN DOUBT, THROW IT OUT!

LAKESIDE GOLF COURSE 1201 N 1100 W, West Bountiful, UT 84087. 801.295.1019

Junior Clinics

It's not too late to sign up for 2019 Junior Clinics. We provide a fun week of Lessons at an affordable price. We cover Driver, Iron, Chipping and Putting fundamentals. All participants will receive a Lakeside shirt and a Jr. Royalty Card, which includes discount Green Fees, Lessons and Range Balls.

Call the Pro Shop ASAP to sign up today!

- June 10 – June 13
- June 17 – June 20

Both 9am and 10am classes are available.

ALSO: We are planning on doing an additional clinic in the fall. Dates and Time TBD. Follow us on Facebook or Instagram for details.

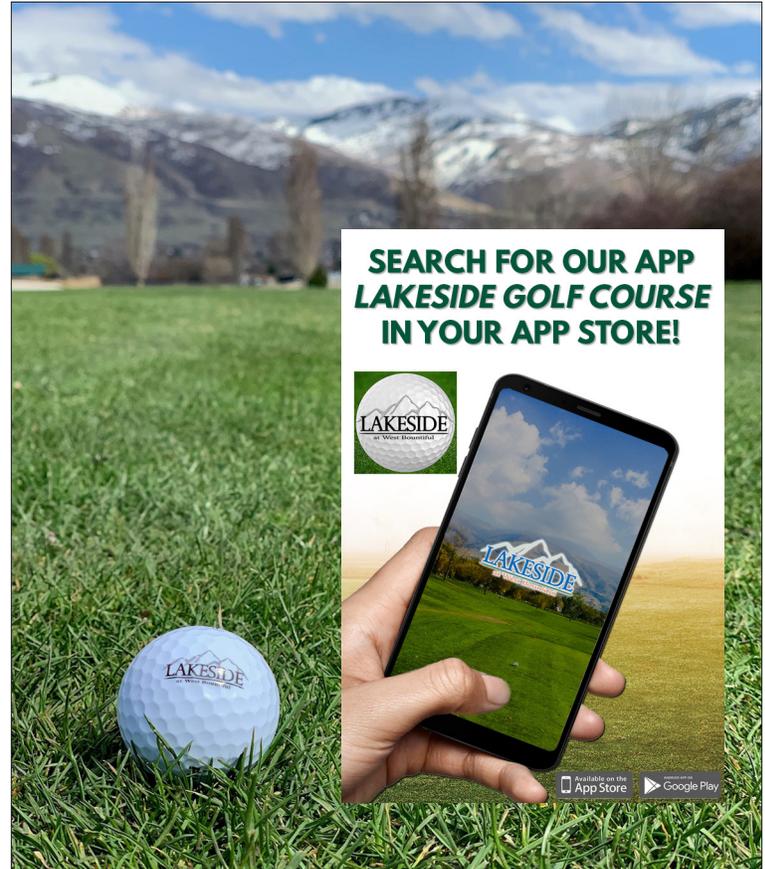

Junior League

Lakeside is proud to host a fun weekly competition for youth of all skill levels, age 7 to 15. Our goal is to make golf fun for all ages while providing a positive semi-competitive experience. Each member will receive a Lakeside shirt and Jr Royalty Card.

League is played every Thursday starting on June 20th. Tee Times are blocked off from 6am to 10am. Each member is responsible for making his or her own tee time each week. A year end League Championship will be held on August 8th. Call the Pro Shop for more Details.

Couples League

Lakeside is excited to provide a Couples League this year. This a fun, low-pressure weekly event to play with your significant other. League play will be every Saturday after 5 pm starting May 25 going until September. We will play different formats to keep it relaxed and fun. Call the Pro Shop for more details.

Check out Lakeside's new App for your phone. Make tee times, schedule lessons, check out our food menu, get general information, etc., and best of all join our Loyalty program where you can earn a free 18-hole round after purchasing 10 9-hole rounds; it also applies to the driving range and lessons!

Hibernation Season is Over

Despite the late season snow storms and some cooler temperatures we have had, winter is over. As the seasons change and the weather gets warm people tend to come out of their state of hibernation and spend more time outside. So what does this have to with you and why would the police decide to write an article about it?

There are many reasons why the police would talk about warm weather and people being outside. I have chosen one of the more important reasons to discuss with you, the safety of yourself and your children.

Imagine a nice warm day, you have the windows down and your favorite song is on the radio. We all know that feeling that comes over us, life is just good! It can be easy to not pay attention to your surroundings. I mean really, life is good, tunes are loud what could go wrong? (This is where the safety part comes in). You are not the only one that is outside enjoying the great weather. There are children running around, and yes they are running around in the road. Bikers are riding, runners are running, and many people in our community enjoy riding horses on the roadway.

Rather than explain the potential disasters that could occur, I will allow you to fill in that part with your imagination. I will talk about the community responsibilities we all share. This list could go on forever so I will hit some of the highlights.

Teach our children about road safety. I know

many kids like to skateboard or ride their bikes, and often it takes place in the road, but we must teach them the rules. It's like defensive driving, they must know how to prevent something bad from happening to them because someone else might not be paying attention. My officers and I don't want our first meeting to be us telling you that your child was hit by a vehicle.

A mutual respect must be had by both drivers and others that use the road. We all have to do our part. When you are coming up on someone riding a horse, running, or whatever it is they are doing, slow down and give them some room. On the other side of that, if you are using the road for something other than driving it does not mean you can dart out into traffic or take up the lane of travel. Apply common sense, good judgment and have respect for one another.

If you own a dog, no matter how nice you think it is, you must not let it run around without a leash, many people have a fear of animals. Remember, they don't know your dog or how nice it might be. If your dog runs up to people it may cause them a problem and it is your responsibility to not let this happen.

Final Thought: "A rolling ball is always followed by a child" Gordan Graham.

Todd Hixson
Chief of Police
West Bountiful City
