Code Red is an automated notification system the city can use to make contact in the event of an emergency. CodeRED can reach West Bountiful residents and businesses by residential phone, business phone, cell phone, text message and email.

It is best to register your email and phone on the website and download the app for notifications.

<https://public.coderedweb.com/CNE/en-US/E3BC2EED087A>

All residential phone numbers (landlines) in the CodeRED database are automatically enrolled to receive emergency notifications from the City of West Bountiful. You cannot opt-out of emergency messages. These will include urgent updates on natural disasters, public health outbreaks, snow emergencies, water boil orders, evacuation notices, parking bans, missing children, law enforcement activities, hazardous materials situations and any other incident requiring immediate action. You will only receive emergency messages that are applicable to your address.

CITY NEWSLETTER

Independence Day Fireworks Display Friday July 3, 2020

West Bountiful City will host a beautiful firework display sponsored in whole by HollyFrontier Refinery. The fireworks will be launched from the Lakeside Golf Course on Friday, July 3rd at 10:00 pm. This location is a central area that most West Bountiful citizens can observe from their individual yards and from along the trails or roadsides. The city discourages large gatherings and encourage you to follow all Covid-19 precautions in place at that time. Residents will not be allowed to enter the Lakeside Golf Course property to view the fireworks display.

Please note this time and location, and make the necessary arrangements for any animals that may be disturbed by this event. The display will last approximately 15 minutes. If you have questions, please direct them to Debbie McKean at 801.231.8320 or email: debbiemckean@comcast.net.

Unfortunately, other traditional Independence Day events have been cancelled this year due to the Covid-19 Pandemic. These events include the concert in the park, safety fair, parade, flag ceremony and park carnival. We look forward to resuming these traditional events in 2021

Bountiful Irrigation REMINDERS—No Outside Watering Between 10:00AM to 6:00PM

- Place a small can on your lawn and time how long it takes to get ½” of water in it from your sprinklers. This is the longest time you would need to water on each of two or three days a week during the hottest part of the summer.

-Water usage by lawns and gardens is substantially less in the spring and the fall than it is in July and August. Don't forget to change your routine or your automatic sprinklers accordingly.

Applications for 2020-2021 Youth Council are currently being accepted thru July 1st 2020

Mission Statement

The mission of the West Bountiful Youth City Council is to make a difference in our community by giving youth the opportunity to serve, develop leadership abilities and skills, and grow to become educated and responsible citizens. As we serve, we will strengthen our community and promote a spirit of pride in our city. In the future, we will responsibly perform our duty as citizens of the United States.

2019-2020 Youth Council wrapped up another great year with a service project at the City Park planting trees. A successful year and job well done to the entire council. And a special Thank you to Mayor Megan Charchenko.

West Bountiful City is pleased to provide you with this year's Annual Water Quality Report. We want to keep you informed about the excellent water and services delivered to you over the past year. Our goal is, and always has been, to provide to you a safe and dependable supply of drinking water.

The testing of our culinary water quality meets and exceeds the state and federal guidelines. If you would like a copy of the report you may pick it up at City Hall or view it on our website.

800 West Improvement Project

The project consists of replacing the 70 year old cast iron water line with a new larger 12” PVC water pipe that is much more reliable and improves water quality. Installing a new storm drain system to help with drainage. Curb & Gutter on both sides of 800 West from 400 North to Pages Lane. The roadway will be excavated to a depth of 25” below existing road and then rebuilt & repaved.

800 West projected paving schedule;
1000 North thru 1600 North paved by July 1st & 400 North thru 1000 North paved by Aug 25th

A big **Thank You** to the residents living in the construction zone, and to all residents for their patience and understanding while using detours and adhering to the safety crossings.

Lakeside Junior Clinics are underway and in high demand therefore we are excited to announce an additional clinic to be held this fall.

We cover 2 days of swing fundamentals, 1 Day of putting fundamentals, 1 day of chipping and pitching.

Clinics ages 6—17 Lakeside Jr. Golf Shirt to all participants
Lakesidegolfcourse.com for Fall clinic dates

Davis County Independence Day Air Parade, July 4th starting at 9am. Eyes to the skies for this fun event, it will include many different kinds of airplanes. More details to follow when available via website and social media

New Assistant Golf Professional

Tommy Davis is excited to return home to Lakeside where he began working as a cart kid. He has been in the golf industry since he was seventeen years old working at courses including Lakeside, Ogden Country Club, Stonebridge, and serving as the Assistant Professional at Glen Eagle.

We believe his energy and enthusiasm will be a huge addition to the course and the local golf community. Tommy is continually looking for ways to upgrade his swing and is devoted to improve the game for others.

He is thrilled to have this opportunity and looks forward to progress and grow the game at Lakeside Golf Course.
