### It's time to holiday shop AND support cancer patients!

HUG Wraps are a hospital gown alternative for cancer patients to wear to various treatments and after surgery like lumpectomies, mastectomies or breast reconstruction. This bazaar is to raise money so that we can make and donate HUG Wraps to patients that are in treatments during the holidays.

**DOOR PRIZE  
GIVEAWAYS!!**

*Enjoy refreshments, finger sandwiches and cookies while you shop for lots of wonderful stocking stuffers and beautiful gifts for anyone on your holiday list!!*

## ATTENTION QUILTERS & CRAFTERS!!

HUG Wraps is requesting donations of any finished projects (like bags, purses, baskets, blankets, quilts...etc) from the quilting and crafter community that can be sold at our bazaar.

**The more money we can raise,  
the more cancer patients we can help!**

Any and all donations are happily accepted!
