

Love Links

6 hour class taught by:
Debbie Kalenty
Studio 180 Design Certified Instructor.

Interlocking chevrons make a fun and unique looking quilt. “Love Links” are made by assembling traditional flying geese units into Chevron blocks using two geese in reverse colors. Use the Studio 180 Design Wing Clipper I to make flying geese units quickly and accurately every time!

We will be making the 39 x 42 inch wall hanging.
(While I prefer for everyone in the class to work on the same size project, if this size does not suit your needs, please email me for information regarding other size projects).

Supply List for 39 x 42 inch:

Fabric:

Various ‘darker’ colors: 10 - 10” squares

Background & Binding: 1-7/8 yards

Please be sure there is good contrast between your fabrics (NO medium values please).

Basic quilting supplies:

Pins, marking pencil, rotary cutter, cutting mat, thread, etc.

Tools: (will be available for purchase before class):

Required: Studio 180 Designs Wing Clipper I tool; Quilter’s Magic Wand and “Love Links” pattern (each person must have pattern / no copies or sharing allowed for copy right reasons).
