

“Thankful Stars”

6 hour class taught by:
Debbie Kalenty
Studio 180 Design Certified Instructor.

“Thankful Stars” is a great way to show your patriotism, which never goes out of season.

This quilt has two size options:
55 x 67 (6” blocks) or 69 x 87 (9” blocks)
Both sizes meet Quilt of Valor requirements.
You may choose to make either size in class.

Required basic sewing supplies: Thread, marking pencil, pins, seam ripper, rotary cutter (new blade), small personal cutting mat...etc.

Required tools: (will be available for purchase before class): Studio 180 Designs V-Block and Split Rect tools; “Thankful Stars” pattern (each person must have pattern / no copies or sharing allowed for copy right reasons).

Fabric:	Twin size 55 x 69	Full size 68 x 86
Navy Blue (includes binding)	1-1/2 yards	2 yards
Red (includes inner border)	1-3/4 yards	2-1/4 yards
White or Cream	1-1/2 yards	2-1/3 yards
Multi or Navy w/ Stars (outer border)**	1-1/2 yards	1-1/4 yards

** Amounts are correct: we made the outer border larger in small quilt to meet Quilt of Valor’s minimum size. Conversely, we made the outer border smaller in the large quilt to meet QOV’s maximum size. There is only a slight size difference in actual border size.

The large quilt (9” block) allows for pre-printed patriotic quotes in the center of the star blocks. These will also be available for purchase before class \$11.00

If you have ANY questions, please contact me. I’m very happy to help!
