Husqvarna® VIKING®

Epic™ | 95Q

Sewing Machine

Sewing Your World

FEATURES AND BENEFITS

Top Features

JoyOS ADVISOR™

- **Interactive Tutorials** - Learn how to sew collars, hems, exclusive stitch techniques, insert zippers, and more.
- **Sewing Instructions** - Sewing projects with step-by-step instructions built-in.
- **Easy Access User's Guide** - Get access to the full User's Guide directly on the machine with the easy access icon. Use the search function to effortlessly find the topics you want to learn more about.
- **Stabilizer Guide** - The perfect tool when choosing the right stabilizer for your project.
- **Quick Start Guide** - Learn how to set up your machine for basic sewing to start sewing sooner.
- **Accessory Guide** - Full set-up and instructions for some of our more advanced accessories.

Integrated Dual Feed

Evenly feeds the fabric from the top and bottom when sewing multiple layers of fabric or specialty fabrics, eliminating the need for a separate dual feed presser foot.

Adjustable Laser Sewing Guidance

Project a laser guidance line directly on your fabric for perfect stitch placement. Move the laser guidance line left or right to easily align rows of decorative stitches, consistently space lines of quilting, and more.

Sewing Performance

- **Fabric Feeding** - Exceptional fabric feeding is provided by the additional front feed teeth and an overall wider feed teeth system.
- **Needle Piercing Power** - Electronic needle piercing power provides superior results when using heavy fabrics or multiple layers.

Top Features

mySewnet™ Enabled

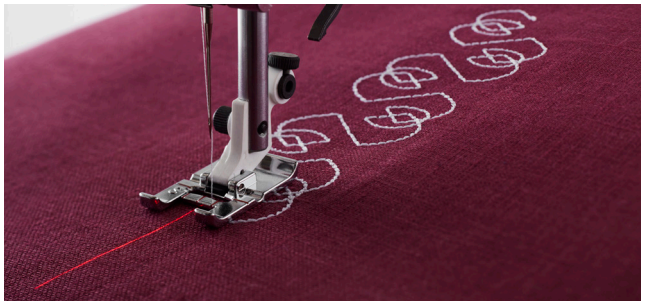
- **Wi-Fi Access** - Connect to *mySewnet*™ apps, update your machine, and more.
- ***mySewnet*™ Cloud** - Get a free *mySewnet*™ cloud account to use free apps and more.
- ***mySewnet*™ Blog** - Enjoy a live feed directly on your screen with news, tips & hints, free projects and free stitches.

Machine Capabilities

- **Large Screen** - 10.1" (217 x 136mm) capacitive touch tablet-like screen allows you to easily navigate on-screen using touch gestures like swipe, pinch, and spread.
- **Large Working Area** - More than 12" (310mm) to the right of the needle and the market's tallest working area at over 5.5" (140mm) gives plenty of room for large, bulky projects.
- **Multi-Function Foot Control^ Capability** - Control multiple functions of your machine like thread cut or reverse without taking your hands off your project.
- **Large Thread Spool Capability** - Built-in telescopic thread stand allows you to use larger thread spools without the need for additional accessories.
- **Large Bobbin** - Sew for longer periods without interruptions.

Stitch Package

- **Endless Opportunities to be Creative.**
  - Over 840 stitches, up to 54mm wide.
  - Exclusive patented stitch techniques.
  - 5 sewing font styles, with both upper and lower case letters, for creative options to personalize projects.
- **Wider Decorative Stitches - 9mm** - Create an impact with 9mm standard width decorative stitches and side-motion stitches (up to 54mm) for any special project.
- **Exclusive Stitch Techniques** - Customize any project with exclusive patented stitch techniques that give your project dimensional elements that are effortless and irresistable: laser pictogram stitches*, pop-up stitches*, sequin stitches*, appliqué stitches*, yarn stitches, and theme stitches.



User Experience

- **Work Light** - Developed by optronic experts using revolutionary LED technology and light guide optics. The work area lighting on the EPIC™ 95Q sewing machine allows you to see stitches in true color with virtually no shadows.
- **Ergonomic Design** - Sew with a comfortable, intuitive machine design.
- **Stability** - Sew with less vibrations for a steady and quiet sewing experience.

deLuxe™ Stitch System

Less effort spent on machine adjustments with high quality results regardless of fabric and thread type. Perfect for metallic or other specialty threads. Gorgeous stitch results on both sides of the fabric.

- **Thread Portioning** - Feeds the optimum amount of thread for each stitch, no matter what thread type or fabric thickness, when sewing.
- **Thread Portioning or Thread Tension** - The machine will automatically select Thread Portioning or Thread Tension for specific techniques/accessories to achieve the best result.

EXCLUSIVE SENSOR SYSTEM™

Automatically and continuously senses and adjusts to any thickness of fabric for perfect, even feeding as you sew.

Sensor Foot Lift

- Presser foot lowers and raises automatically for every sewing technique.
- Four positions: down, pivot, up and extra lift.
- Automatically lowers feed teeth on extra lift for maximum space to slide thick fabrics and quilts under the foot easily.

Sensor Foot Pivot

- Automatic pivot position with needle down for instant pivoting, easy appliqué and quilting.
- Your hands are free to guide the fabric.

Sensor Foot Pressure

- The presser foot continuously senses the thickness of the fabric and automatically adjusts the presser foot pressure, for even feeding on all fabric types.

Sewing

Three Free-Motion Settings

Choose the one most convenient for you.

- Free-motion Spring Action
- Free-motion Floating
- Free-motion Ruler Foot

Sewing Functions

All your necessary functions at your command with the touch of a button, or program them for your needs.

- Needle Up/Down
- Start/Stop
- Stop
- Fix
- Automatic Thread Cutter
- Reverse
- Speed

Perfectly Balanced Buttonholes

The Sensor One-Step Buttonhole Foot automatically sews perfect one-step buttonholes every time.

- Sews both sides of the buttonhole in the same direction for evenly balanced buttonholes.
- 16 buttonhole styles and 3 eyelets designed for various sewing applications.

Stitch Positioning

Possible to change complete stitch position for any stitch with less than 9mm stitch width.

37 Needle Positions

Sew a straight stitch in 37 different needle positions for ideally placed topstitching, edge stitching, under stitching, stitching-in-the-ditch, or quilting.

Stitch Balance

Set the ideal feed balance when stitching forward and backward, so your decorative stitching looks stunning every time.

Tapering on Decorative Stitches

Taper at the beginning and/or at the end of select decorative stitches. Change the angle of taper for unlimited creative opportunities.

Free-motion Sewing with Decorative Stitches

Use any non-dimensional decorative stitch up to 9mm wide in free-motion mode for unique thread painting and quilting opportunities.

Machine

Personalized On-Screen Experience

The Graphical User Interface is a contemporary, user friendly experience that can be personalized by switching up the color scheme to fit your style.

Top and Bobbin Thread Sensors

Receive an alert when your bobbin thread is low, enabling you to find a convenient time to change your bobbin. Thread sensors alert you when your bobbin is low or needle thread breaks.

Automatic Presser Foot Lift

Raises the presser foot instantly when the needle is set to stop down and/or at the end of a seam after a thread snip.

Lightweight, One Piece Aluminium Casting

The lightweight one piece aluminum casting makes the EPIC™ 95Q sewing machine the lightest machine in its class** for easy transport. The one piece casting also provides a strong machine structure that you can rely on.

Bobbin Winding Through the Needle

- For timesaving and convenient bobbin winding.
- Separate bobbin winding motor allows you to wind a bobbin while working on other things, saving you even more time.

Straight Stitch Plate and Sensor

The perfect help for straight stitch sewing with any special accessory.

- Attach the Straight Stitch Plate and the machine sensor alerts you if you select any stitch other than a straight stitch.

Jam Proof Rotary Hook

Jam proof rotary hook prevents threads from getting caught in bobbin area.

Two USB Ports

Two USB ports allow for smooth transfer of saved stitches, updates, and more.

Designed and Engineered in Sweden

HUSQVARNA® VIKING® brand has developed superior quality sewing machines with cutting-edge technology for over 145 years.

Accessory Tray with Customized Compartments

- Store your presser feet in alphabetical order
- Special storage for Straight Stitch Needle Plate
- Slot for Sensor One-Step Buttonhole Foot

Inch/Cm Ruler on Base Plate

Convenient measuring right there on your EPIC™ 95Q sewing machine.

- Ruler up to 19” (48.5cm)
- Button ruler
