Running Bond Brick Wall

60" x 72"

Quick and Easy!! Good for Beginners!!

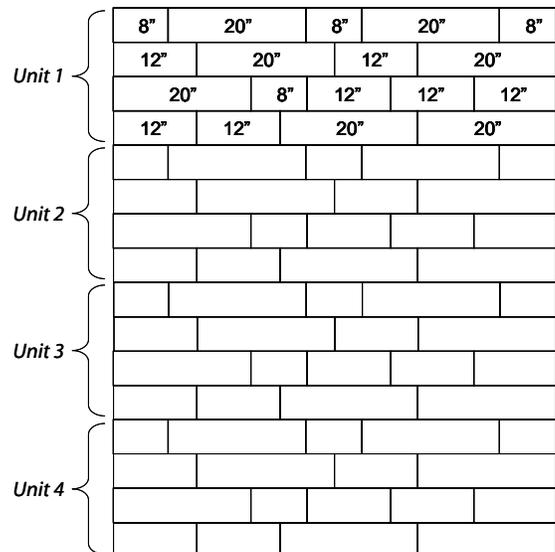

Cutting Instructions:

From *each* of the five 1 yard pieces of fabric, cut:
6 strips measuring 5 inches x Width of Fabric
You should end up with a total of 30 strips. See illustration below.

Now, from each of the strips, cut 3 rectangles measuring:
5 x 8, 5 x 12 and 5 x 20 inches
You should have 30 rectangles of each size. There will be extras.

Sewing Instructions:

- Following the layout diagram, randomly arrange the rectangles into four horizontal rows, creating 1 unit.
- Make sure you have an arrangement that pleases you, before sewing. Rearrange if necessary. *There is not a right or wrong way!!*
- Sew rectangles together using 1/4 inch seams. Press.
- Join the first 4 rows, forming a unit.
- Repeat the first 3 steps to make a total of 4 units
- Join all units together to make quilt top. Press.
- Add batting and backing. Baste, quilt and bind.
- Binding can be made from the left over rectangles.
- Tip:**
Number each of your 16 rows after you have laid them out. You can pin a numbered scrap paper to the first rectangle of each row. Pick up each of the rows in the same order, from left to right.
