Lookup by size.

If your model is not listed in the chart above, you can select the correct case by measuring the length, height, and depth of your machine and comparing to the dimensions below.

Keep in mind that ALL THREE of the dimensions of your machine - length, height, and depth - must be equal to or less than each of the dimensions listed below to fit that size case. Otherwise, you will need to order a larger case.

Length x Height x Depth	Fits
15"L x 11"H x 8"D	Tutto Small Machine On Wheels
17"L x 11"H x 8"D	Tutto Medium Machine On Wheels
20"L x 13"H x 11"D	Tutto Large Machine On Wheels
22"L x 14"H x 13"D	Tutto Monster Machine On Wheels XL
27"L x 17"H x 13"D	Tutto Monster Machine On Wheels XXL
