

Mini Reflection Quilt Class

Basic Supply List

- Reflection pattern (by Dragon Lady Quilts)
- Fabric:
 - 4 continuous repeats of fabric with a 10"-13" minimum repeat to make the centerpiece (see instructions in pattern on how to select a suitable fabric). Note: If you have purchased a fabric with a large repeat you have more options when making your mini Reflection quilt.
 - 1/8 yd. fabric for inner border.
 - 2/3 yd. fabric for outer border and binding.
 - 3/4 yd. fabric for backing.
 - 3/4 yd. batting.
- 1/2 yd. of 48" wide gridded fusible (the size of the grid doesn't matter but the width of the fusible does)
- Sewing Machine
- Rotary Cutter
- Flat Head (Flower Head) Pins: Use a good pin. The cheap ones don't work well.
- 50-75 pins (any type of head will do as long as they are sharp)
- 24" Quilt Ruler
- Scissors - for cutting threads
- Seam Ripper
- Matching Thread
- Applique Pressing Sheet
- 24" x 18" cutting mat
- Iron and pressing board (optional but will allow you to work faster).

Words of Caution

Do **NOT** wash your focus fabric. Washing the fabric will remove the sizing and will skew the threads, rendering the fabric unusable for this technique. If you have concerns about the color bleeding, test a small part of the fabric that will not be used.
