

PUBLIC HEARING NOTICE

Big Plains Water and Sewer Special Service District

The Big Plains Water and Sewer Special Service District will hold the following Public Hearing on the 6th day of June during a regular meeting that will be held at the Town Hall, 1777 N. Meadowlark Drive, Apple Valley, Utah beginning at 6:00 pm.

A public hearing will be held for the following:

This notice is to inform you of the intended transfer of Big Plains Water and Sewer Special Service District (Big Plains) Fund money to the Town of Apple Valley General Fund. The Town of Apple Valley provides administrative and overhead services for Big Plains through the use of sharing personnel and assets to accomplish the daily business activities that would otherwise need to be duplicated. It is our belief that the value of services received is greater than the amount to be transferred. These services include personnel to perform accounting and office functions for billing, collection, and customer service; building space, office equipment, and other machinery and equipment; and other indirect costs associated with daily business functions like fleet maintenance, technology, and legal. A calculation is made for estimated costs and a proportionate share is assigned for transfer.
