

Public Hearing

The Francis City Planning Commission will hold a public hearing on August 16th, 2018 at 7:00 p.m. in the Francis City Community Center, located at 2319 So. Spring Hollow Road. The purpose of the hearing is to review a potential ordinance allowing the use of Conservation Subdivisions that would preserve 30 to 60 percent of undivided, buildable tracts of land as communal open space for residents and developers. **Published in the Summit County News August 3rd, 2018.**
