Reference: August monthly Board Report

Dear Trustees,

For the month of September 2018, officers of the Lochbuie Police Department handled 142 calls for service and had 117.82 hours in Keenesburg (See attached). Officers responded to several calls for service, 12 of which resulted in reports and or arrests. Eight summons / citations were also issued for traffic.

We are working with the Town of Keenesburg, Town of Hudson, and the School District in addressing what can be done at the intersection of Hwy 52 and CR 59 to make it safer for citizens that use that intersection. It is great to have collaboration between all of the entities that are impacted by this dangerous intersection.

Officer E. Hernandez is currently on light duty after sustaining an off duty injury. He should be back on full duty sometime next month.

We are having interviews for Patrol Officers on the 17th of October and we should have another officer hired by the end of October.

We will be having our annual Police Department Halloween Fun Night at the police station during the afternoon and evening of Halloween. We will have a Haunted House and be giving out candy, pumpkins, hot drinks and much more. The event is free to all. See attached flyer for more event information.

As always, if it's a concern to you it's a concern to us. Please don't hesitate to contact the Lochbuie Police Department with any questions.

Sincerely,

Carlos Ramirez
