To: Keenesburg Town Board

From: Sgt. Ramirez

Date: 06/11/2018

Reference: Monthly Board Report

Dear Trustees,

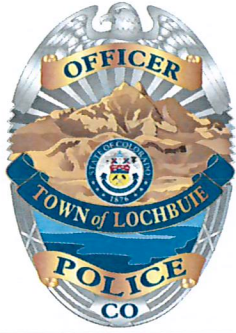

For the month of May 2018, officers of the Lochbuie Police Department handled 141 calls for service in Keenesburg. Officers responded to several calls for service, which officers made arrest and or issued arrest warrants. The total amount of hours, spent by officers in Keenesburg during the month of May was 139.83 hrs. (See attached).

Officers had 62 self-initiated activity (Area Watch), which is officers patrolling the town, observing, foot patrols, shaking doors, citizen contacts, doing what we expect them to do. Officers took a total of 8 reports.

Officers have since attended Search and Seizure class which covers The Fourth Amendment. Officer S. Dunnam (School Resource Officer), has been in S.R.O training which is a weeklong class in Holyoak. Even though Officer Dunnam is veteran if that field, he feels it is necessary to go back to basics to keep up on current trends within the school.

As you know our department was recently approved to have an INTOXILYZER 9000 installed at the station which was issued to us by the Department of Health. However, since we have had the intox, it has failed to work properly and we have to send it back to the Department of health.

We are currently accepting applications for the citizen's academy that will start on the 16th of July. The application can be accessed by going to our website. The deadline for the citizens' academy will be on the 6th of July.
