***New hours starting in August...10am-5pm 7 days a week**

From time to time we must step back and evaluate various aspects of the business. I have determined that staying open late on Thursdays is no longer viable for the shop as there is insufficient traffic to support the extra costs involved, not to mention the ever present parking issues which are bound to get worse when the hotel opens the end of the month. **Starting Friday, August 2nd, our new hours are 10am-5pm 7 days a week.** This will leave our evenings open for more events, private lessons, and classes. Thank you for understanding.
