## February 2024

# Event Schedule

## What's New

### ...and other distractions

### Did you know we order new fabric collections MONTHS in advance?

We order basics and blenders throughout the year, but the new stuff, we only get one chance to order for guaranteed delivery of bolts and precuts.

Case in point, we just received several collections from Robert Kaufman Fabrics ordered at a sales rep appointment back in April 2023. Yes, we have to try to guess what you might like in 9 months. Sometimes it's a no brainer because the fabric is sooo good.

**Azulejos (batik)**

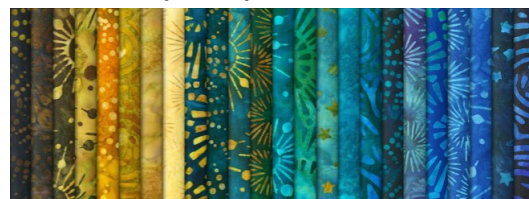

**Lilly Bella (batik)**

**Parvaneh's Butterflies**

Other recent arrivals from that same RK appointment.

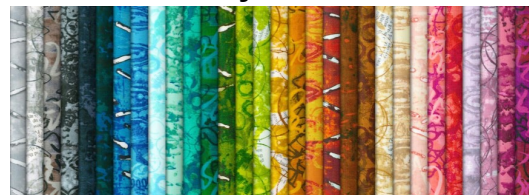

#### Celestial (batik)

#### Chromaticity (metallic)

#### Wishwell: Storyboard
