

Bernina New Owner Training - Sewing

What to bring:

Sewing machine with foot control, power cord, and bobbin case.

We can carry your machine in and out of the shop. (If you cannot bring your machine with you, we may have a demo model you can use...just let us know in advance.)

Machine manual

Machine oil

All presser feet that came with your machine.

Bobbin(s)

Spool caps and spool pins

Machine accessories: screwdriver, cleaning brush, stylus (whatever came with your machine originally)

Thread

Machine needle

Scissors

Pen & paper (if you like to take notes)

We will provide:

Test fabric

Workbook

Post-its (because I don't like to write in manuals)
