BY QUILTERS FOR QUILTERS

# Hands-on Longarm Classes

## January 24-27, 2024

Join us for four days of hands-on instruction with HQ national educator Judy Hays.

We provide the HQ Amara machines (limit 2 per machine) and everything you need to stitch.

You do not have to own a longarm machine or a Handi Quilter to attend these classes.

**Beginners welcome. No experience necessary.**

### Longarming 101

Jan 24 & 25 (2 days), 9am-4pm  
\$250

#### Longarm Bootcamp

Does longarm quilting interest you, and you'd like to learn more about it? Or do you just want a review of longarm quilting basics? This class removes the mystery of longarm quilting by explaining machine and frame elements and features, how to load a quilt, and vital facts about thread, needles, and tension. Handi Quilter longarm machine and frame systems come in various sizes for every budget and are user-friendly because they are designed by a quilter, for quilters – just like you!

#### Sweet and Simple Free-motion Quilting

Quilters everywhere LOVE the excitement and fun of free-motion quilting – and it's easier than you think! Create flowing designs by connecting simple design elements with continuous lines, traveling across the quilt or filling in a specific area. Learn how drawing and muscle memory contribute to beautiful free-motion quilting, and how you can create stunning designs.

#### Pro-Stitcher Preview

Curious about computer-guided quilting? This is the perfect opportunity to see if it's right for you. Pro-Stitcher is an intuitive quilting system designed especially for use with Handi Quilter longarm quilting machines. User-friendly and simple to operate, the step-by-step process for each function is easy and fun.

#### Radical Rulers!

If you love precision and consistency in your quilting designs, you will love using rulers and templates! These handy tools assist in placing designs accurately and stitching them out precisely. Learn to handle rulers and templates safely with the ruler base and Sure Foot, and how to achieve accuracy with the markings. The wide variety of Handi Quilter rulers will inspire you to new design heights.

### Pro-Stitcher Basics

January 26, 9am-4pm  
\$125

Pro-Stitcher is an intuitive computer-guided quilting system designed especially for use with Handi Quilter longarm quilting machines. User-friendly and simple to operate, the step-by-step process for each function is easy and fun. Whether finishing your own quilts or consider a quilting business, come see the elegant and precise quilting you can accomplish with Pro-Stitcher. This is the perfect opportunity to see if computer-guided quilting is right for you. New users – start here!

### Time to Play

January 27, 9am-4pm  
\$125

#### Background Fills and Beyond

Interested in building a library of designs you can use with confidence? In this workshop, you'll identify shapes you already love to quilt, learn how to create pathways to connect designs, and explore using different threads to really make your background fill quilting pop.

#### Mandala Mania

Mandalas are a fun trend in quilting today. In this workshop, look at ways to build these beautiful designs using symmetry, starting with a doodle.

Prizes All Day Long!!!

Special deals on all Handi Quilter machines and gadgets during the event!
